

Minority Contracting and Supplier Diversity Graterford Prison Project Pre-Bid Outreach Forum

The Turner/Gilbane design-build team is pleased to sponsor a Minority Contracting and Supplier Diversity Pre-Bid Outreach Forum. The main thrust of the forum is to focus on the prequalification of MBE and WBE contractors, suppliers, service providers, and consultants who desire to express an interest in participating in the bid process for the SCI Graterford Prison Project.

The Minority Contracting and Supplier Diversity Pre-Bid Outreach Forum will facilitate the introduction of Turner/Gilbane and Clark Resources to the forum participants (MBE and WBE firms). There will be a discussion on the MBE and WBE certification requirements deemed necessary by the Pennsylvania Department of General Services (DGS) and contracting opportunities for the firms present.

Members of Turner/Gilbane and Clark Resources will discuss their project understanding, the design/build process, and the approach to the bid submission process. During the forum, firms will have an opportunity to network and acquaint themselves with members of the Turner/Gilbane joint venture. Also, pre-qualification documents will be made available for submission to Turner/Gilbane.

Subsequent to the Minority Contracting and Supplier Diversity Pre-Bid Outreach Forum, we will move expeditiously to evaluate all submitted pre-qualification documents. All pre-qualified firms will be contacted and asked to make a pre-bid submission on subcontract opportunities designated for MBE and WBE participation.
