ADDENDUM # 2

TO ALL BIDDERS:
You are hereby notified of the following changes to the above mentioned bid:

The bid opening will be postponed to October 31, 2016 at 10:30 AM

Please note the changes to S7Z63150 in the paragraphs listed below:
Pre Certification:

Vendors seeking pre-certification of a product not currently listed in paragraph, 2.8.3 **ACTIVATED CARBON-POWDERED** under Products Pre-certified must submit two samples of activated carbon for pre-certification by close of business **Tuesday October 11, 2016.** Certification for % removal of Geosmin shall be conducted by the City of Philadelphia Bureau of Laboratory services (BLS) using a standard protocol and analysis method. Certification for % removal of UV254 shall be conducted at the Baxter Water Treatment Plant using a standard protocol and analysis method. PWD Treatment Headquarters maintains a list of all products, which are certified as meeting the bid specifications. It is the responsibility of the vendor to pre-certify any carbon product prior to the submission of a bid response. Failure to follow the certification procedures will automatically be cause for bid disqualification. To arrange for product pre-certification please contact and provide a product sample to both locations for analysis:
