1. OVERVIEW

1.1. The City of Philadelphia (the “**City**”) is issuing this Request for Proposals (the “**RFP**”) to select a diverse group of food vendors to sell a variety of food selections in JFK Plaza, (popularly known as LOVE Park) (the “**Food Service Program**”). New Concessionaires will be added to the Concessionaires currently participating in the Food Service Program in JFK Plaza. Firms or individuals interested in responding to this RFP must submit a proposal form (the “**Proposal**”). The Proposal form is attached to this RFP as **Form 1**. Each firm or individual that submits a Proposal in response to this RFP will be considered a “**Respondent**.” Section 7 below lists all the documents a Respondent must submit together with its Proposal.

1.2. The City’s goal in issuing this RFP for the Food Service Program is to provide each day in JFK Plaza a variety of unique or uncommon menu items, or new varieties of familiar items, with a higher quality of ingredients and presentation than is readily available from nearby food carts or trucks, or from convenience stores, in the vicinity of JFK Plaza. The City will evaluate Proposals and select those Respondents the City believes will best fulfill the purposes of this RFP. The City will include each selected Respondent on a “**Vendors List**.” The City will use the Vendors List to create a daily schedule (the “**Daily Schedule**”) for the Food Service Program based on need and the City’s goal in issuing this RFP for the Food Service Program.

1.3. The City will provide a Concession Agreement & Food Vending Permit (the “**Agreement & Permit**”) to each Respondent included in the Daily Schedule. When a Respondent and the City have fully signed the Agreement & Permit, the Respondent will become a “**Concessionaire**.” The Agreement & Permit will give a Concessionaire a license to sell food in JFK Plaza at the location and during the times specified on the permit. The license under the Agreement & Permit will be effective for the months and dates specified on the permit. In any event, the license will expire completely at 5:00 p.m. on April 30 immediately following the start date of the license. A copy of the form of Agreement & Permit is attached to this RFP as **Exhibit 1**.

1. The City plans to undertake significant construction at JFK Plaza beginning in fall 2014, and the construction could take several months or even much longer. The City may suspend the Food Service Program at JFK Plaza during the construction at JFK Plaza. The City will endeavor to secure alternative vending locations in or near JFK Plaza but cannot guarantee it will do so. After the City starts construction at JFK Plaza, Subsections 1.3.2—5 below govern resuming food vending in JFK Plaza. Subsections 1.3.2—5 also govern food vending opportunities at other locations and for special events.
2. If the City provides alternative locations but a Concessionaire is not satisfied with the location, then the Concessionaire may decline to vend at the locations the City offers. With respect to any alternative location, a Concessionaire is not obligated to pay a Concession Fee to the City unless the Concessionaire accepts the City’s offer to vend there.
3. After the City begins construction on JFK Plaza, the City may, in its sole discretion, determine that JFK Plaza may be safely used again for food vending. If the City makes that determination, the City will notify all Concessionaires.

4. The City may determine that it wants to offer food vending opportunities in other locations in Philadelphia or during special events. If the City makes that determination, it will notify all Concessionaires.
5. The City will consider each Concessionaire with an Agreement & Permit for vending in JFK Plaza after the City reopens the plaza for food vending, and for any other food vending opportunity, in each case in accordance with the provisions of Section 2.2 and Section 2.4 below.

1.4. Each Concessionaire selling food in JFK Plaza under an Agreement & Permit shall comply with the City of Philadelphia Department of Parks and Recreation Food Vending Standard Provisions (the “**Standard Provisions**”). The Standard Provisions are attached to this RFP as **Exhibit 2**. Capitalized words and phrases used in this RFP and not defined in this RFP have the meaning assigned to them in the Standard Provisions

1.5. In exchange for the City issuing an Agreement & Permit to the Concessionaire, the Concessionaire shall pay a daily “**Concession Fee**” to the City in advance, no later than the first day of the month, for each day the Concessionaire intends to sell food in JFK Plaza that month under its Agreement & Permit. A Respondent may propose a daily Concession Fee for the months March through December. Each Respondent must state its proposed daily Concession Fee in its Proposal. Each Respondent’s proposed daily Concession Fee must be at least \$25 for breakfast service and at least \$75 for breakfast and lunch service or lunch service only. Specific operating hours for breakfast and lunch service are provided in Appendix 1 to the Standard Provisions.

1. The City recognizes that selling Food and Beverages in JFK Plaza during January and February may pose special challenges due to winter weather. In any event, the City will permit Concessionaires to sell Food and Beverages in JFK Plaza during January and February at a reduced daily Concession Fee as set forth in subsection 3 immediately below.
2. The City purchased a portable outdoor heater (the “**Heater**”) to keep customers warm while they are waiting to be served. Concessionaires may arrange with the City for the use of the Heater, if available. Concessionaires shall provide all necessary propane for the Heater.
3. For each day a Concessionaire sells Food and Beverages in JFK Plaza during January and February, the Concessionaire will pay only 25% of its proposed daily Concession Fee to the City.
4. Each Respondent who wishes to vend in JFK Plaza in January and February must state that in its Proposal.

1.6. Upon the City’s issuance of an Agreement & Permit to a Concessionaire, this RFP, together with the Standard Provisions, a Respondent’s Proposal, and the Agreement & Permit, will become the “**Concession Agreement Documents.**” Each Concessionaire shall comply with the Concession Agreement Documents. Therefore, the City urges each potential Respondent to carefully review this entire RFP and its attachments, including the Standard Provisions, and to prepare its Proposal carefully, because each document contains provisions that will become legally binding obligations of the Respondent as a Concessionaire.

1.7. The City will hold a Pre-Proposal Meeting for all interested potential Respondents on the

date and time, and at the location, stated on the cover page of this RFP. The Pre-Proposal Meeting is not mandatory, but potential Respondents may find it very useful to attend because they will have the opportunity to ask questions about the Food Vending Program, this RFP, and other Concession Agreement Documents.

1.8. The Deadline for Submitting Proposals is set forth on the cover page of this RFP. The required place for a Respondent to submit its Proposal is also set forth on the cover page of this RFP. If a Respondent intends to deliver its Proposal on the day of the Deadline for Submitting Proposals, the City strongly recommends that the Respondent allow enough time to travel to the Municipal Services Building, to go through building security, and to find the appropriate room.

2. PROGRAM

2.1. The City is offering food vendors the opportunity to operate during specific hours, Monday through Sunday, at the locations identified below. The number of permitted vending units by location is also provided below.

1. Three individual spaces for food vending trucks and trailers in front of the Fairmount Park Welcome Center near the corner of JFK Boulevard and 16th Street in Philadelphia, Pennsylvania; and,
2. Two individual spaces for food vending pushcarts or tables with canopies in the vicinity of the LOVE sculpture in JFK Plaza.

2.2. The City will use the Vendors List to create the Daily Schedule for the Food Service Program based on need, availability, and the City's goals with respect to food and beverage offerings.

2.3. The City plans to issue Agreements & Permits that become effective on **May 1, 2013**.

2.4. The City hopes to fill all the vending locations each day, and the City intends to provide high quality food service and diverse, unique, or uncommon cuisine choices. Therefore, the City cannot guaranty that each selected Respondent on the Vendors List will be given an opportunity to vend in JFK Plaza regardless of whether any vending times or spaces remain unfilled. In addition:

1. The City does not guaranty that a Concessionaire will be offered a vending space on any Daily Schedule, but the City may offer a Concessionaire initially excluded from the vending spaces an opportunity to fill a vending space that becomes available at a later time during the period of the Concession.
2. The City reserves the right to not fill all five vending spaces on any given day if, in the City's sole judgment, the Vendors List does not meet the City's goals with respect to food and beverage offerings.
3. The City may, in its sole discretion,
 - A. add a Concessionaire from the Vendors List when an opening in any Daily Schedule becomes available;
 - B. afford a Concessionaire the opportunity to vend at special events in JFK Plaza or other events or locations in the Parks and Recreation System, subject to any conditions the Department finds appropriate for that event or location, if the

Concessionaire pays 50% of the Concessionaire's Concession Fee for each day the Concessionaire vends at that event or location;

C. limit the number of days per week a Concessionaire can participate in the Food Service Program; and

D. not schedule on the same day two or more Concessionaires who serve similar style cuisines.

2.5. The City of Philadelphia Mayor's Executive Order 03-12 establishes a goal of 25% participation in City of Philadelphia contracts by businesses that are owned by a person who is disabled or who is of a minority group, or who is a woman. To promote that goal, the City encourages each Concessionaire who owns and operates its Vending Unit and who believes they fall into one or both of those participation categories, to complete **Form 2** to these Standards Provisions. The City's Office of Economic Opportunity will work with each Respondent who submits **Form 2** to help the Respondent become certified and registered as a disabled-owned business, minority-owned business or woman-owned business.

3. SELECTION CRITERIA

City officials will evaluate each Respondent's Proposal to select the Vendors List. The City's criteria for selecting Respondents for the Vendors List include, but are not limited to, the factors listed below. No particular order of importance, weighting, or other priority is assigned to these factors or reflected by their order in the list.

1. Completeness of Proposal.

3. Whether the Respondent offers unique or uncommon Food and Beverages, or a new variety of an old favorite.
4. Menu price points.

10. Disabled-owned or minority-owned or woman-owned business.

4. RESERVATION OF RIGHTS

The City reserves the following rights with respect to the evaluation and selection of Respondents for the Vendors List:

4.2. To reject all Proposals, or to postpone, cancel and reissue this RFP or not reissue this RFP if, in the City's sole judgment, it is in the City's best interest to do so.

1. has been delinquent or unfaithful in the performance of any contract with the City or with others;

4.4. To supplement, amend, or otherwise modify any section of this RFP at any time prior to selection of one or more Respondents as Concessionaire.

4.5. To waive any Proposal informality, defect, or deviation from the requirements of this RFP that, in the sole judgment of the City, is not material to the Proposal, the RFP, or the Concession Agreement Documents.

4.6. To request that some or all of the Respondents clarify, modify or supplement their respective Proposals, including information inadvertently omitted.

4.7. To request interviews or oral presentations from one or more of the Respondents.

4.8. To conduct investigations with respect to the qualifications of each Respondent and call a Respondent's references.

5. INFORMATION AND DATA IN THIS RFP IS NOT WARRANTED

The City has provided information and data in this RFP to help potential Respondents understand the Food Service Program and the purpose of this RFP, and to help each Respondent prepare a Proposal. The City believes the information in this RFP is reliable, but the City does not represent or warrant that the information is accurate. Each potential Respondent is encouraged to conduct its own investigations into any matter of concern to it about the Food Service Program, this RFP, the Standard Provisions, the Agreement & Permit, JFK Plaza, or the Respondent's Proposal.

6. AMENDMENTS

The Concession Agreement Documents applicable to a Concessionaire may be amended only by a written agreement signed by the City of Philadelphia Commissioner of Parks and Recreation and City of Philadelphia Procurement Commissioner and by a duly authorized officer of the affected Concessionaire.

7. INSTRUCTIONS

20.1. Ethics Requirements

1. The Concessionaire and its sub-licensees, contractors, and subcontractors must not offer or give, directly or indirectly, anything of value to any City official, officer or employee, including any gift, gratuity, favor, entertainment or loan, the receipt of which would violate Executive Order No. 3-11 issued by the Mayor of Philadelphia on January 25, 2011.
2. Any person who offers or gives anything of value to any City official, officer, or employee, the receipt of which violates Executive Order No. 3-11, is subject to sanctions with respect to City contracts. The sanctions may range from disqualification from participation in particular City contract(s), to debarment, depending on the nature of the particular violation. The terms and duration of the sanctions will be determined (after consultation with the City's Chief Integrity Officer) by the Procurement Commissioner with respect to contracts subject to competitive bidding or by the Director of Finance with respect to non-competitively bid contracts.
3. If the Concessionaire or its sub-licensees, contractors, and subcontractors offer or give, directly or indirectly, anything of value to any City officer, director, or employee in violation of Section 20.1.1 above, the Concessionaire will commit an Event of Default under the Concession Agreement. In addition, the City shall return or discard the item given to the City officer, director, or employee.

20.2. Taxes

1. Any contractor, vendor of goods, or provider of services, who bids on and is awarded a contract by the City is subject to Philadelphia's business tax ordinances and regulations. The Concession Agreement is entered into in the City of Philadelphia, and the Concessionaire's delivery, sale, or rental of goods in the City, or performance of services in the City, is "doing business" in the City and subjects the Concessionaire to the City's tax requirements, including without limitation one or more of the following taxes:

 - b. Net Profits Tax

c. City Wage Tax

2. Promptly following the effective date of the Agreement & Permit, the Concessionaire, if not already paying the taxes listed above, shall apply to the City of Philadelphia Department of Revenue for a tax account number and to file appropriate business tax returns as required by Applicable Law. 1. By submitting a Proposal and accepting an Agreement & Permit, the Concessionaire represents and warrants, on the date the Agreement & Permit is issued, that Concessionaire, and all entities under common control with the Concessionaire or controlled by it are not as of the Commencement Date indebted to the City. Concessionaire shall not at any time during the Term of the Concession Agreement be indebted to the City, for or on account of any delinquent taxes (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), water bills, sewer bills, liens, judgments, fees or other debts for which no written agreement or payment plan satisfactory to the City has been established. The Concessionaire shall remain current during the Term of the Concession Agreement with all such payments and shall inform the City upon receipt of any notices of delinquent payments. In addition to any other rights or remedies available to the City under the Concession Agreement, at law, or in equity, the Concessionaire acknowledges that any breach or failure to conform to Concessionaire's representation, warranty, and covenant in this Section 20.3.1 may, at the option of the City, result in the termination of the Concession. In addition, Concessionaire understands that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

2. The Concessionaire shall cause its subcontractors (if any) to make a certification to the City similar to that made by the Concessionaire in Section 20.3.1 above. The Concessionaire shall include the provisions in Section 20.3.1 in each subcontract under the Concession Agreement Documents, with appropriate adjustment for the name of the subcontractor.

20.4. Condition of the Licensed Spaces

The City makes no representation or warranty regarding the condition of any Vending Location, including its suitability for the Concessionaire's use under the Agreement & Permit and sale of Food and Beverages. Concessionaire accepts the license given by the Agreement & Permit and agrees to use the Food Vending Location in its "AS IS" condition for the purposes set forth in

the RFP. Concessionaire submitted its Proposal and has executed the Agreement & Permit based solely on Concessionaire's own investigation of the condition of the Food Vending Locations.

20.5. Philadelphia 21st Century Minimum Wage & Benefits Standard

Under Philadelphia Code Section 17-1303(4), Concessionaire may be subject to the requirements of the Philadelphia Code, Chapter 17-1300, titled, "Philadelphia 21st Century Minimum Wage and Benefits Standard" ("**Chapter 17-1300**"). Chapter 17-1300 governs the wages that certain employers are required to pay their employees. The City urges each Concessionaire to consult with private counsel to determine whether Concessionaire is subject to Chapter 17-1300. If Concessionaire is subject to Chapter 17-1300, then:

1. Concessionaire shall comply with the requirements of Chapter 17-1300 as they exist on the effective date of the Agreement & Permit. Concessionaire shall, upon a written request from the City, promptly provide to the City documents and information verifying its compliance with the requirements of Chapter 17-1300. If Concessionaire violates Chapter 17-1300, the City may exercise its remedies under Section 18 of these Standard Provisions.
2. Concessionaire shall notify each of its affected employees with regard to the wages that are required to be paid pursuant to Chapter 17-1300.

20.6. No Discrimination

Concessionaire shall not discriminate against any person on the basis of race, color, national origin, ancestry, religion, age, sex, sexual orientation, or gender preference.

20.7. Exclusionary Private Organizations

1. Concessionaire's payment or reimbursement of membership fees or other expenses associated with participation by its employees in an exclusionary private organization, insofar as participation confers an employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment advantage or constitutes or results in discrimination with regard to hiring, tenure of employment, promotions, terms, privileges or conditions of employment on the basis of race, color, sex, sexual orientation, religion, national origin or ancestry, constitutes a substantial breach of this Concession Agreement entitling the City to all rights and remedies provided in the Concession Documents or otherwise available in law or equity.

2. The Concessionaire shall include a provision similar to Section 8.02.1 in each of its Subcontracts with appropriate adjustment for the names of the parties.

20.8. **Slavery Era Disclosure**

Contemporaneously with, or immediately following, the City's and Concessionaire's execution of the Agreement & Permit, Concessionaire shall complete the affidavit set forth in **Appendix 3** to these Standard Provisions disclosing whether Concessionaire or any predecessor company of it invested in or received profits from slavery or slaveholder insurance policies during the slavery era of the United States before 1865.

21. Order of Precedence of Concession Agreement Documents. Despite the other provisions of these Standard Provisions and the provisions of the RFP, Agreement & Permit, and Proposal, if there is a conflict between any of the Concession Agreement Documents, the order of precedence between them is as follows, in descending order:

- First: RFP.
- Second: Standard Provisions.
- Third: Agreement & Permit.
