## ADDENDUM # 1

### **TO ALL BIDDERS:**

**You are hereby notified of the following changes to the above mentioned bid:**

1. **Question:** On the pillow pack, which is not custom imprinted, what information is needed to be imprinted on the pillow pack (i.e. condom compatible lubricant, FDA approved, 3ml)?

**Answer:** "Water-based lubricant, 3ml." is to be imprinted on the pillow pack.

2. **Question:** Can we quote on an alternative packet of 3ml for the lubricant (similar to the condom wrapper)? It would be cheaper and can be custom imprinted.

**Answer:** Yes, this is an option. The vendor may include a custom design package for the lubricant, but the design must match (or be similar to) the condom package. In addition, the alternate design must be reviewed, approved and accepted by the City of Philadelphia's Division of Disease Control Unit.

3. **Question:** Do you realize that the packing you require for the lubricants would be approximately 90 lbs. each carton? We would suggest to pack 1,500 pieces per carton, which will be approximately 45 lbs.

**Answer:** The case must contain 3,000 pieces of lubricants. No exceptions shall be accepted by the City of Philadelphia. Please note that each lubricant contains **0.1** fluid oz. (See items 2.3 and 2.4.2 on the Invitation & Bid.)

Please sign, date and return this addendum with your bid to the Procurement Department, 1401 J.F.K Boulevard, Bid Room 170A, Philadelphia, PA 19102-1685 as it now becomes a part of the proposal.
