PROCUREX SYSTEM REQUIREMENTS, TERMS AND PROCESS DETAILS

The instructions herein provide process details and definitions used in Procurex reverse auction events. All bids entered into the Procurex Reverse Auction are legal and binding offers to sell at that bid price in accordance with the City of Philadelphia Bid terms and conditions and the Procurex website terms and conditions.

ALLOW POP-UPS:

- The online auction uses pop-up windows (auction status, broadcast messages, and chat). Make sure to allow pop-ups for the Procurex website.

APPROVED BROWSERS:

- Use only Internet Explorer (version 10 or higher), Mozilla/Firefox (40 or higher), or Google Chrome. Keep only one browser session open while bidding in a live auction.

SUBMIT BIDS WITH TIME TO SPARE:

- **Do not wait until there are less than 15 seconds left in the auction to submit a bid.** There is a risk of an internet or internal network “packet” delay that may result in your bid not getting logged in time.
- If “Automatic Extension” is a parameter of the auction, the auction will automatically extend when a “late” bid is entered. Therefore, there is no strategic reason to wait until the last second to submit a bid. Bid with plenty of time to spare.

USE A “HARD-WIRED” INTERNET CONNECTION ONLY – TURN OFF YOUR WIRELESS RECEIVER:

- Wireless and mobile internet connections are often fine for normal web-browsing, but during a live auction we require the use of only a hard-wired connection.
- **Turn off the wireless receiver of your computer.**
- **Do not use a wireless USB connection to Verizon, AT&T, etc.** If you have a USB type device that connects to Verizon, AT&T etc make sure it is unplugged when you connect to a hard wired connection.
- Do not remove your laptop or computer from the hard-wired connection during the auction as your internal network will become “confused” and you could lose your internet connection temporarily.

COMMONLY-USED AUCTION PARAMETERS:

- Not all the parameters defined below will be used in a given reverse auction event. Each auction is tailored to the needs of a given Bid. See the online reverse auction event you have been invited to for the parameters used.

MOCK AUCTION:

- You will receive an email invitation to participate in a mock auction. The email contains step-by-step instructions on how to participate in Procurex auctions. You must submit a bid in the mock auction to ensure your system is working properly and to prevent any problems or

confusion in the live auction. There is an extensive “Help” feature on the website. There is also a Seller Software Training tutorial which takes about 7 minutes to view.

- For system questions, contact the Procurex help desk toll-free at 1-866-412-7161, option 1 or service@procurexinc.com

LINE ITEMS USED IN THIS AUCTION:

- See the online auction for the line items to be priced in this auction event.

HOW TO ENTER YOUR BID:

- Using your login ID (your email address), and password, go to www.procurexinc.com and click “Login”. Once logged in, click [ACCEPT/VIEW/BID IN EVENTS](#). Click on the auction name to access the Event Acceptance screen and Place Bid screen.
- You must accept the event invitation and terms and conditions in order to access the pricing screen. Follow the online instructions to accept the event invitation (do this for the Mock Auction as well as the Live Auction). After you have accepted the event invitation, you will be taken to the “Place Bid” screen.
- Under “New Bid Price”, enter your bid price (no comma’s and no \$ sign). Click Preview My Bid, and then Place Bid to officially log your bid price. The Preview My Bid step is done to allow you to double-check your bid price before officially logging it into the auction. If after clicking “Preview My Bid”, you realize that the price you entered is not correct, simply click the “Revise Bid” button, re-enter the corrected price, and click “Preview My Bid” again. Upon clicking “Place Bid”, the Event Status window will pop-up, showing your bid feedback. See below for Bid Feedback used in this auction.
- Keep the Pricing (“Place bid”) window and the Auction Status window both open during the auction. Auction Status screen shows you the bid feedback and auto-refreshes every 30 seconds. You can click “Refresh” (or hit f5) to get up-to-the-second updates.

MINIMUM DECREMENT:

- Shown as “Min Dec” on the bidding screen. This parameter of the auction is used to prevent very small “re-bids”. After you submit your first bid, any subsequent bids you enter must be lower than your previous bid by at least the value of the minimum decrement.

NO TIED BIDS:

- Your bid for an Item must not be equal to the current low bid. If so, you will see an error message after you click “Preview Bid” or “Place Bid”. You will be prompted to enter a different bid price.

BID FEEDBACK PARAMETERS:

After you click “Place Bid”, the “Auction Status” window will pop up showing the current status of your bid. The following parameters may be used, and are set by the Buyer when the event is created. YOU MUST SUBMIT AT LEAST ONE BID ON A LINE ITEM IN ORDER TO VIEW THE BID FEEDBACK FOR THAT LINE.

- “VIEW BID RANK”: This will show you the rank of your bid, with “1” being the current low bid.

- “VIEW LEAD/NOT LEAD”: This will show you that your bid is either “Lead” or “Not Lead”.
- “VIEW LOWEST BID”: This parameter will allow you to see the lowest bid submitted to that point in the auction.
- “VIEW RESERVE MET/NOT MET”: This parameter, when used in an auction, tells a bidder whether their bid price has met (is equal to or lower) a pre-established Reserve Price. The exact value of the Reserve Price is not shown. The Reserve Price is a price the Buyer already has access to and may opt not to contract if the auction does not produce a lower price.

AUTOMATIC EXTENSION

- If any supplier submits a bid for any line item in the auction within the closing minutes of the End Time of the auction (see online auction for # of minutes), Procurex will automatically extend the end time of the auction by “x” (see auction) minutes. Usually, any bid in the last 2 minutes will extend the auction by 2 minutes. This process will repeat until no more "late" bids are submitted for any line item. If “Automatic Extension on Low Bid Only” is used, only a new LOW bid for one of the items will trigger an auto-extension.

START PRICE IS NOT VISIBLE

- No Start Price is shown to bidders, which allows bidders to place any opening bid which is in the Acceptable Bid Range. See below for Acceptable Bid Range.

ALLOW BIDS GREATER THAN START PRICE

- The Start Price is shown, but is for reference only. Your bid can be higher than the Start Price, subject to the Acceptable Bid Range.

ACCEPTABLE BID RANGE

- This auction will only allow bids in a pre-determined price range. The exact values of the Acceptable Bid Range are not disclosed to bidders. This is done to prevent errant (unreasonably high or low) bids from being placed during the auction.

BIDDERS ARE ANONYMOUS TO EACH OTHER:

- No bidder will see the name of any other bidders or the number of other bidders participating.

RETRACTION OF ERRANT BIDS:

- A bidder can submit a lower bid, but cannot submit a higher bid once “Place Bid” has been done. If you submit an errantly low bid, click “Chat” to send an instant message stating that your bid was errant. The Procurex Auction Manager will then suspend the auction, retract the errant bid, and re-activate the auction immediately so bidding can continue.

CHAT FEATURE:

- During the live auction, you can click the word “Chat” located in the middle of the bidding window to open the chat box with the Procurex Auction Manager.

BROADCAST MESSAGES:

- You may see messages appear in a pop-up window during the live bid. These broadcast messages may be informational or could be for situations such as the need to Retract an errant

bid. All Broadcast Messages can be viewed by clicking on the "Broadcast Log" link on the Bidding Window.

FOR HELP DURING THE LIVE AUCTION:

- If you have a problem or question during the live auction, use the online "CHAT". Click on the "Chat" link in the Bidding Window, then type in the box and click "Send". This is the quickest way to get an answer during the live auction. The toll-free Procurex help desk line is 1-866-412-7161, Option 1 or via email to service@procurexinc.com .

Cash is not acceptable.

- Submit performance security and/or performance bond as required in the Invitation and Bid, as outlined in Paragraphs 13 and 14 of the SS&E Terms and Conditions of Bidding and Contract.

4. SPECIFICATIONS. When a formal, numbered, specification is referred to in the Invitation and Bid, no deviation therefrom will be permitted, except if/as indicated in the Invitation and Bid and the bidder will be required to furnish articles and/or services in conformity with that specification. When catalogues, model numbers, trade names, or cuts are listed in the Invitation and Bid, they are, unless otherwise specified, included for the purposes of furnishing bidders with information concerning the style, type or kind of article and /or service desired. A bidder may offer an article and/or service which he/she certifies to be equal or better in quality, performance and other essential characteristics. If submitting an alternate, the bidder must specify the alternate (e.g., make and model #) in the bid and submit with the bid a complete description of the article (including any technical literature) and/or service proposed to be furnished. Failure to do so will require the bidder to furnish the article and/or service specified in the Invitation and Bid. The Procurement Commissioner reserves the sole right to determine whether alternates offered are equal or better. This clause shall not be construed to prohibit bidders from offering goods, supplies, equipment, or materials containing recycled materials or printing with recycled content; bidders intending to provide goods made with recycled materials should notify the Procurement Department.

SS&E TERMS AND CONDITIONS OF BIDDING AND CONTRACT

BID SUBMISSION

1. PREPARATION AND SUBMISSION OF BID.

All bids must be written in ink or typewritten and made on the forms issued and signed in ink by a person with legal authority to bind the bidder. The contract awarded hereunder shall consist of: the Invitation and Bid; all addenda issued thereto by the City, any surety bonds approved as to legal form by the Law Department, all warranties, exhibits and attachments reviewed and accepted by the City; and these Terms and Conditions of Bidding and Contract (the "Contract").

It is the sole responsibility of the bidder to ensure that the bidder has received any and all addenda and the Procurement Commissioner may in his/her sole discretion reject any bid for which all addenda have not been executed and returned in accordance with the instructions provided therein. No bid may be considered if received after the date and time for the opening of bids established by the Invitation and Bid, nor may any bid be modified after that date and time. The time of bid opening shall be the time displayed on the City's official bid clock located at the bid room. In the event of any discrepancy between actual time and the City's official bid clock, the latter shall determine the time of bid opening. Notwithstanding the foregoing, the Procurement Commissioner reserves the right to accept a late bid if it is the only response and it is in the best interest of the City to do so.

2. BID SECURITY.

In order to be eligible to bid, all bidders must be enrolled in the City's Annual Bid Security Program. All bidders must complete the registration form and pay a non-refundable Annual Bid Security Program fee of \$100.00, payable annually to the order of "The City of Philadelphia". Enrollment and payment of the Annual Bid Security Program fee must be completed prior to bid opening to be eligible for award. If applicable, an individual bid bond may also be required in the Invitation and Bid. Notwithstanding bidder's enrollment in the Annual Bid Security Program, an awarded bidder who fails to execute its contract will be subject to the City's remedies set forth in Paragraph 17.

3. BID PROCESSING FEE.

In addition to enrollment in the City's Annual Bid Security Program and payment of any other fees or monies required to be submitted with the bid, the bid must be accompanied by a non-refundable processing fee of \$25.00 in the form of a company check, bank money order or United States postal money order made payable to the order of "City of Philadelphia." Cash is not acceptable.

4. SPECIFICATIONS.

When a specification is issued in connection with the Invitation and Bid, no deviation will be permitted, except if/as indicated in the Invitation and Bid and the bidder will be required to furnish articles and/or services in conformity with that specification. When catalogues, model numbers, trade names, or cuts are listed in the Invitation and Bid, they are, unless otherwise specified, included for the purposes of furnishing bidders with reference information concerning the style, type or kind of article and /or service desired. A bidder may offer an article, service and/or equipment, which he/she certifies to be equal or better in quality, performance and other essential characteristics. If submitting an alternate, the

bidder must specify the alternate (e.g., make and model #) in the bid and submit with the bid a complete description of the article (including any technical supporting documentation) and/or service proposed to be furnished. Failure to do so will require the bidder to furnish the article and/or service specified in the Invitation and Bid. The Procurement Commissioner reserves the sole right to determine whether alternates offered are equal or better.

Unless otherwise provided in the bid specifications, all items offered by the bidder must be new. A "new" item is one which will be used first by the City. This clause shall not be construed to prohibit bidders from offering goods, supplies, equipment, or materials containing recycled materials or printing with recycled content; bidders intending to provide goods made with recycled materials should notify the Procurement Department.

Any and all specifications issued in connection with the Invitation and Bid are deemed incorporated into and become part of the Contract.

5. PATENTS.

The successful bidder (also referred to throughout these Terms and Conditions of Bidding and Contract as the "awarded bidder" or "Contractor") shall be solely responsible for all royalties and charges that may be due to any patent holder for or on account of the use of any patented appliance, product or processes. Evidence of such payment shall be submitted upon request of the Procurement Commissioner and failure to submit such evidence may, in the sole discretion of the Procurement Commissioner, result in rejection of the bid or constitute an event of default, entitling the City to all rights and remedies as provided herein in Paragraph 19 Default and Termination.

6. LOCAL BIDDING PREFERENCE.*

In accordance with Chapter 17-109 of the Philadelphia Code relating to Local Bidding Preferences for Procurement Contracts, this bid may be subject to a local bid preference. In order to determine eligibility to receive the preference, if applicable, bidder must be certified at the time of bid opening and must submit with the bid, the Local Business Entity Certification Number* as issued by the Procurement Department for the bidder. If the Procurement Commissioner determines that the awarded bidder fails to comply with its representation at any time during the term of its contract, the awarded bidder's LBE certification will be revoked and the awarded bidder shall be deemed in substantial breach of such contract, shall be required to pay liquidated damages of 10% of the awarded contract amount, and may be debarred by the Procurement Commissioner in accordance with the Procurement Department Debarment Regulation for a period up to three years.

*Note: If you wish to apply for Local Business Entity (LBE) certification, go to www.phila.gov/bids. Please allow sufficient time prior to bidding for processing of the LBE application.

SS&E TERMS AND CONDITIONS OF BIDDING AND CONTRACT

EVALUATION AND AWARD

7. TYPES OF BIDDER RESTRICTED.

Bidders must not be a party to more than one bid for the same article or service. A violation of this condition may, in the sole discretion of the Procurement Commissioner, result in rejection of any or all such bids in which the bidder has an interest.

8. RESPONSIVENESS.

Subject to the right of the Procurement Commissioner to waive non-responsiveness as set forth below in this Section, these Terms and Conditions of Bidding and Contract and the specifications and requirements included in the Invitation and Bid are mandatory and must be strictly followed by all bidders in the preparation and submission of their bids. After bids are opened, the Procurement Department, and other City departments or agencies where appropriate or specified, shall review all bids for responsiveness to these Terms and Conditions of Bidding and Contract and the specifications and requirements included in the Invitation and Bid.

Any bid which is incomplete, obscure, conditional, or unbalanced, which contains additions not called for, or irregularities of any kind, including alterations or erasures, or which fails to conform in any respect to these Terms and Conditions of Bidding and Contract and the specifications and requirements included in the Invitation and Bid is non-responsive and shall be rejected, except where the Procurement Commissioner, in his/her sole discretion, determines that the non-responsiveness is not material or that a waiver of the non-responsiveness is otherwise permitted by the Invitation and Bid by these Terms and Conditions of Bidding and Contract or by law. The Procurement Department's determination of non-responsiveness shall be final and any bid rejected as non-responsive shall not be eligible for award of the Contract.

9. RESPONSIBILITY.

Unless otherwise specified, after bids are opened, the Procurement Department, and other City departments or agencies where appropriate or specified, shall review and may investigate the responsibility including, but not limited to, the integrity, qualifications, references, capacity and ability to perform the Contract resulting from the Invitation and Bid in accordance with its terms of the lowest responsive bidder. All determinations of bidder responsibility shall be vested in the sole discretion of the Procurement Commissioner and other City officials. Any bidder who is deemed not responsible shall be ineligible for award of the Contract.

Bidders deemed not responsible will be notified of such determination and the reasons therefore in writing by the Procurement Department, and shall have the right to contest the determination by submitting to the Procurement Department, within forty-eight (48) hours after receipt of its written determination, a written request for reconsideration that includes information relating to the bidder's qualifications and responsibility and demonstrating the insufficiency of the reasons stated in the written determination finding the bidder not responsible. Any further determination of a contesting bidder's responsibility shall be vested in the sound discretion of the Procurement Commissioner and other City officials.

10. CANCELLATION AND AWARD.

The Procurement Commissioner, in his/her sole discretion, may cancel any Invitation and Bid prior to bid opening. After bid opening, the Procurement Commissioner, in his/her sole discretion, may reject all bids, if deemed in the best interest of the City. In all cases where a Contract award is made by the Procurement Department, the bidder is bound by the terms and conditions of the Invitation and Bid upon the submission of its bid. All bids are valid for a period of not less than 60 days, or as otherwise specified in the Invitation and Bid. If the bid has not been awarded within the specified period of time, the bid shall be valid for subsequent award only upon the express consent of the bidder, with no change to the submitted bid. Any price increases/decreases expressly provided for in the Invitation and Bid will be allowed. All Contract awards shall be made by the Procurement Department upon written notice to the bidder that is determined by the Procurement Department to be the lowest responsive and responsible bidder. When applicable, unit pricing quoted will prevail in the event of any discrepancy(ies) between unit price and the extended amount. This same quoted unit price will be the determining factor in establishing applicable contract amount(s) and award(s).

11. QUANTITIES AWARDED.

For requirements contracts only, the articles and quantities of such articles as set forth in the Invitation and Bid are estimates and the Procurement Commissioner, in his/her sole discretion, may make an award for none or all or some of the articles bid and in such quantities as the Procurement Commissioner shall deem appropriate. For firm limit contracts, it is the City's intent to award based upon the quantities set forth in the Invitation and Bid, but the City reserves the right to award more or less.

12. DELIVERY, PRICE INCREASES AND TIE BIDS.

All articles must be delivered at the price(s) bid, FOB Destination. Bids containing reservations of the right to increase the price(s) bid including, but not limited to, late payment charges, will not be considered, except where the Procurement Commissioner, in his/her sole discretion, finds it in the City's best interest to do so. In the event of an absolute tie, the award decision will be made in the best interests of the City as determined by the Procurement Commissioner as informed by Mayoral Executive Order 04-12, "Procurement of Local and American Goods and Services."

The bidder agrees that in the event of such cancellation, it shall not have any claim against the City, including any claim for breach of contract or of any other legal duty, or for lost profits, costs, damages, or expenses of any kind.

14. PERFORMANCE SECURITY.

When applicable, the successful bidder is required to furnish an individual performance bond, issued by a surety approved by the City and in the amount specified in the Invitation and Bid.

Certificates of insurance evidencing the required coverages shall be submitted to the City within fifteen (15) days of notice of contract award and for each renewal period. The City reserves the right to require the Contractor to furnish certified copies of the original policies of all insurance required hereunder at any time upon fifteen (15) days prior written notice. The decision whether to consent to an assignment is within the Procurement Commissioner's sole discretion. In no case shall the Procurement Commissioner's consent to the assignment of any monies to be paid under the Contract relieve the bidder from faithful performance of any of its obligations under the Contract or change any of the terms and conditions of the Contract. Any purported assignment in violation of this provision shall be of no effect.

19. DEFAULT and TERMINATION.

All work performed and goods and services rendered by a successful bidder (referred to in this Section as "Contractor") under any Contract resulting from the Invitation and Bid shall strictly conform to these Terms and Conditions of Bidding and Contract and the specifications and requirements contained in the Invitation and Bid.

The Procurement Commissioner may, in his/her sole discretion, require Contractor to continue to furnish all goods and perform all services required under the Contract until the Termination Date, in which case, subject to the remedies enumerated above, the successful bidder shall be paid in accordance with the Contract therefore. If the City requires Contractor to cure the event(s) of default, or to continue to furnish goods or services until the Termination Date, and Contractor refuses or fails to do so, then such failure shall itself be deemed an event of default under this Section, for which the City may exercise any of its rights hereunder.

SS&E TERMS AND CONDITIONS OF BIDDING AND CONTRACT

20. PAYMENT FOR EQUIPMENT.

Unless otherwise provided in the bid specifications, when equipment involves installation, (which shall also be interpreted to mean erection and/or setting up or placing in position for service or use) and/or testing, and where such installation or testing is delayed through no fault of the contractor, contractor shall be entitled to a payment equal to 50% of the price bid when such equipment is delivered on site and to a further payment equal to an additional 25% of the price bid when the equipment is installed and ready for test. The balance shall be paid only after the equipment is tested and found to be satisfactory by the City. If the equipment must be tested, but installation is not required to be made by the supplier or if the equipment must be installed but testing is not required, and the installation or testing is delayed through no fault of the contractor, contractor shall be entitled to a payment equal to 75% of the price bid at the time of delivery and the balance shall be paid after satisfactory testing and/or installation, as required.

TAX MATTERS

21. TAX EXEMPTION.

The City of Philadelphia is exempt from the payment of any federal excise or transportation taxes and any Pennsylvania sales tax. The price bid must be net, exclusive of taxes. The City will not pay any sales taxes imposed on the bidder. The bidder must not include any sales taxes imposed on the bidder in its costs to be reimbursed by the City. However, when under established trade practice any federal excise tax is included in list prices, bidder may quote the list price and shall show separately the amount of the federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the City. In the event bidder pays any sales or use tax, bidder hereby assigns to City, or City's agent, all of its rights, title and interest in any sales or use tax which may be refunded as a result of the purchase of any articles furnished in connection with the Contract and bidder, unless directed by the City, shall not file a claim for any sales or use tax refund subject to this assignment. Bidder authorizes the City, in City's name or the name of bidder, to file a claim for refund of any sales or use tax subject to this assignment.

Such sanctions may range from disqualification from participation in a particular Contract to debarment, depending on the nature of the violation. All bidders, agents or intermediaries who are solicited for gifts or gratuities by City employees are urged to report these incidents to the Inspector General, Aramark Tower, Third Floor, 1101 Market Street, Philadelphia, PA 19107.

Both the State Ethics Act and the City Ethics Code prohibit a public employee from using his/her public office or any confidential information gained thereby to obtain financial gain for himself/herself a member of his/her immediate family, or a business with which he/she or a member of his/her immediate family is associated.
