Question 1. 1. At delivery locations are there loading docks with fork lift unloading or do we need to provide tail gate unloading? If it is a combination of both please just state "Both types"?

Answer 1. Because this is a Citywide contract, there will can be various delivery locations types. However, the Office of Fleet Management is the primary user and has a combination of both types. The School District states that tailgate unloading would be best.

Question 2. How many delivery locations are there?

Answer 2. Here are the potential locations for the delivery of antifreeze for SD:

25th & Tasker Streets

2600 N. Broad Street

6421 W. Passyunk Avenue

Woodhaven & Byberry Roads

The Office of Fleet Management has provided the following delivery locations:

The Office of Fleet Management has provided the following delivery locations:
