### **ADDENDUM # 2**

#### **TO ALL BIDDERS:**

**You are hereby notified of the following changes to the above mentioned bid and Answers and/or Clarifications to questions submitted by prospective bidders:**

#### **Paragraph 2.1.15 is deleted and replaced with the following:**

**2.1.15** Check all transfer switches and timers and relays and general Electrical operation of unit. The annual PM and City certification test must be completed in the presence of City personnel.

It is the intent of the City to include the automatic transfer switch in the scope of work in this contract in case any repair work is identified during the annual PM or City certification test in order to maintain the functionality of the automatic transfer switch.

#### **Paragraph 2.2 is deleted and replaced with the following:**

**2.2** City personnel will be responsible for testing of automatic switches on a monthly basis. Awarded vendor shall provide only repair service on the automatic transfer switches. In addition, awarded vendor must provide any and all necessary parts to perform the repairs.

If City personnel identify any issues with the automatic transfer switch, the City reserves the right to hire the awarded contractor on a time and material basis to make necessary repairs.
