The vendor will make repairs to the customer's laterals as directed by PWD. The customer will not be charged for the cost of correcting the misaligned laterals. PWD expects to make approximately 150 repairs per year under this program. Through this Invitation to Bid, the City will procure the services of up to 20 Vendors that will be under contract to provide repairs for PWD's customers, and respond to these needed repairs within 24 hours of notification.

1. Homeowner is the property owner of record of the Premises.
2. Homeowner resides at the Premises.
3. Homeowner certifies that the Premises does not contain more than four (4) separate units.
4. Homeowner certifies that there are no overdue water/sewer bills totaling over \$100 for the Premises, unless the overdue bills are covered by a current payment agreement with the City's Water Revenue Bureau or its agent(s).
5. If any false or incorrect information is supplied by Homeowner in the course of procuring this loan, PWD has the right to rescind the Agreement and deny the loan.

Payment Responsibilities

9. Homeowner is responsible for the Total cost of the Repair Work (as defined in Paragraph 10), repayable to the City's Water Revenue Bureau in sixty (60) equal monthly installments beginning with the first monthly bill. The loan is interest-free, unless the Homeowner is or has been in default of this Agreement. Interest and penalties shall then be accrued as set forth in Paragraph 15.

14. Additional charges upon default are: interest at the rate charged for water/sewer overdue bills, a penalty fee of five percent on the total loan amount, and the cost of filing the lien. These charges will be added to the outstanding balance as part of the lien against the Premises. Once default occurs, interest will still be accrued for the remaining term of the loan, even if Homeowner subsequently satisfies the missed payments.
15. This Agreement constitutes the entire contract between Homeowner and PWD. There are no collateral or oral agreements or understandings. This Agreement shall not be modified in any manner unless an instrument in writing is executed by all parties to this Agreement.

BID SUBMISSION

1. PREPARATION AND SUBMISSION OF BID.

All bids must be written in ink or typewritten and made on the forms issued and signed in ink by a person with legal authority to bind the bidder. The contract awarded hereunder shall consist of the Invitation and Bid, all addenda thereto issued by the City, all exhibits and attachments issued and/or accepted by the City and these Terms and Conditions of Bidding and Contract (the "Contract"). It is the sole responsibility of the bidder to ensure that it has received any and all addenda and the Procurement Commissioner may in his/her sole discretion reject any bid for which all addenda have not been executed and returned in accordance with the instructions provided therein. 12. DELIVERY, PRICE INCREASES AND TIE BIDS. All articles must be delivered at the price(s) bid, FOB Destination. Bids containing reservations of the right to increase the price(s) bid, including, but not limited to, late payment charges, will not be considered, except where the Procurement Commissioner, in his/her sole discretion, finds it in the City's best interest to do so. In the event of an absolute tie, the award decision will be made in the best interests of the City as determined by the Procurement Commissioner.

26. ETHICS REQUIREMENTS. To preserve the integrity of City employees and maintain public confidence in the competitive bidding system, the City intends to vigorously enforce the various ethics laws as they relate to City employees in the bidding and execution of City contracts. Such laws are in three categories:

a. Gifts. Executive Order No. 02-04 prohibits City employees from soliciting or accepting anything of value from any person or entity seeking to initiate or maintain a business relationship with the City of Philadelphia, its departments, boards, commissions, and agencies. Bidder understands and agrees that if it offers anything of value to a City official or employee under circumstances where the receipt of such item would violate the provisions of this Executive Order shall be subject to sanctions with respect to future City Contracts. Such sanctions may range from disqualification from participation in a particular Contract to debarment, depending on the nature of the violation. All bidders, agents or intermediaries who are solicited for gifts or gratuities by City employees are urged to report these incidents to the Inspector

General, Aramark Tower, Third Floor, 1101 Market Street, Philadelphia, PA 19107.

All bidders are required to disclose any current City employees or officials who are employees or officials of the bidder's firm, or who otherwise would have a financial interest in the Contract.

Both the State Ethics Act and the City Ethics Code prohibit a public employee from using his/her public office or any confidential information gained thereby to obtain financial gain for himself/herself a member of his/her immediate family, or a business with which he/she or a member of his/her immediate family is associated. "Use of public office" is avoided by the employee or official publicly disclosing the conflict and disqualifying himself/herself from official action in the matter, as provided in The Philadelphia Code Section 20-608.

27. NORTHERN IRELAND. Section 17-104(2)(b) of The Philadelphia Code prohibits the City from accepting bids from companies that do business in Northern Ireland, unless that business has implemented the fair employment principles embodied in the MacBride Principles. In addition, it is understood that false certification or representation is subject to prosecution under IS Pa.C.S. Section 4904.
