SECTION 1 - GENERAL INFORMATION

1.1 PURPOSE OF THIS REQUEST FOR PROPOSALS

The City of Philadelphia, through its Procurement Department and its Office of Fleet Management (“**Fleet**” and, collectively with the Procurement Department, collectively, the “**City**”), issues this Request for Proposals (“**RFP**”) for a firm to design, implement and manage an advertising program to be located on “City Assets” (defined in Section 2.2.1) (the “**Concession**”).

1.2 RESPONDENTS TO THIS RFP; CONCESSION AGREEMENT AND CONCESSIONAIRE

Each firm that submits a proposal in response to this RFP (a “**Proposal**”) will be considered a “**Respondent**.” The City intends to enter into negotiations for a written contract (the “**Concession Agreement**”) with the Respondent whose Proposal is determined to be most advantageous to the City based on evaluation factors described in this RFP. Upon execution of the Concession Agreement by the City and the successful Respondent, the successful Respondent will become the “**Concessionaire**” under the Concession Agreement.

1.3 SUMMARY OF PROPOSED CONCESSION

The Concessionaire shall provide, as a prime contractor, total responsibility for all requirements set forth in this RFP, assuming single source responsibility as the sole point of contact for all contractual matters. Without limitation, the Concessionaire shall:

- 1.3.1 Identify advertising opportunities for City Assets.
- 1.3.2 Provide a revenue projection for advertising opportunities on City Assets, as well as goals for particular types of City Assets.
- 1.3.3 Manage the solicitation of advertising for City Assets and negotiate with advertising companies to maximize the revenue potential from each City Asset, with no conflict of interest with regard to other current advertising opportunities for the City.
- 1.3.4 Deliver high quality advertising programs that are appropriate for all communities and provide the City with revenue, subject to the City’s approval of all content, material and location.
- 1.3.5 Manage the placement of advertising on the exterior of City Assets and ensure that all advertisements are in compliance with any and all “Applicable Laws” (defined in Section 3.8.1), and be responsible for obtaining all permits, authorizations, consents or other approvals required by Applicable Laws. Without limitation, advertisements shall be subject to the City’s Policy on Municipal Vehicle Advertising attached hereto as Exhibit A (the “**Advertising Policy**”).
- 1.3.6 Maintain the advertisements and related equipment and materials to the highest standards throughout the Term (defined in Section 2.1). Maintenance shall include, but is not limited to: maintaining all of the materials that form a part of the advertisement, maintaining any equipment and materials necessary to affix the advertisement to the City Asset, and maintaining the areas of contact between the advertisement and the City Asset to ensure that the advertisement is adequately

- secured and that the City Asset does suffer any damage as a result of the placement, maintenance, repair or removal of the advertisement.
- 1.3.7 Develop criteria for measuring the success of the program.
 - 1.3.8 Maintain a database of the City Assets that includes a description of all currently-installed advertisements with information about installation, maintenance and repairs and related response times.
 - 1.3.9 Establish a notification process, accessible to participating City departments, boards, commissions and agencies that ensures a prompt response to reports of damage to or vandalism of advertisements installed on City Assets.

In addition, the City is willing to explore sponsorship opportunities for companies or their products, and if the City awards sponsorship rights to one or more brand entit(ies), Concessionaire will be permitted to advertise only those brand products so designated by the City.

1.4 RESPONDENT QUALIFICATIONS

The City is soliciting Proposals from experienced firms, with the intention of choosing a qualified firm that offers the best Proposal in terms of approach to generating revenue for the City and overall expertise in the implementation and management of an advertising program, while at the same time ensuring the integrity and civic nature of the City Assets. Firms should have at least three (3) years' experience in the field of vehicle advertising and/or of marketing for advertising opportunities; at least three (3) years' experience in the management of vehicle advertising; and at least three (3) years' experience with responsibility for the management of large accounts. Preference will be given to firms that can demonstrate past experience in managing the accounts of public entities.

1.5 NON-MANDATORY PRE-PROPOSAL MEETING

- 1.5.1 A non-mandatory pre-Proposal meeting will be held for all interested parties on the date, time and location set forth on the cover page of this RFP. The purpose of this meeting will be to review the requirements contained in the RFP and entertain general questions that Respondents may have concerning any of the aspects of services to be provided. Attendance at this meeting is not mandatory. Potential Respondents are encouraged to RSVP to the Project Manager at the email address set forth on the cover page of this RFP regarding their attendance at the Pre-Proposal Meeting.
- 1.5.2 Questions about this RFP and the Concession must be submitted no later than the Deadline for Questions set forth on the cover page of this RFP to the Project Manager at the email address set forth on the cover page of this RFP. Questions submitted by any method other than email will not be answered by the City. The City is not obligated to answer or respond to any questions received after the Deadline for Questions. Oral responses by City employees or their representatives are not binding and shall not in any way be a commitment by the City.
- 1.5.3 Clearly state in the subject line of your email: "QUESTION: MUNICIPAL VEHICLE ADVERTISING PROGRAM."

1.5.4 All questions that materially impact upon the Proposal process will be answered, in writing, in a formal addendum to this RFP issued by the City prior to the Proposal Due Date. The City will post its answers on the following website: <http://www.phila.gov/bids> (under the Public Works Bidding opportunities section).

1.5.5 Addenda issued by the City are the City's only official method for communicating information to all potential Respondents. Respondents should check <http://www.phila.gov/bids> (under the Public Works Bidding opportunities section) before submitting a Proposal to verify that they have reviewed all the addenda relating to this RFP. By submitting a Proposal, each Respondent will be deemed to have acknowledged that it reviewed all addenda to this RFP.

1.6 REVIEW ENTIRE RFP CAREFULLY; RFP WILL BE PART OF CONCESSION AGREEMENT

All Respondents are encouraged to read this RFP and all attachments carefully before the Pre-Proposal Meeting and before submitting a Proposal. This RFP will become part of the Concession Agreement.

1.7 NO OBLIGATION ON CITY TO EXECUTE A CONCESSION AGREEMENT; RESERVATION OF OTHER RIGHTS

This RFP does not commit the City to award a Concession Agreement. This RFP and the process it describes are proprietary to the City and are for the sole and exclusive benefit of the City. No other party, including any Respondent, is granted any rights by this RFP or by submitting a Proposal in response to it.

1.8 PUBLIC DISCLOSURE

This RFP, any Proposal, the Concession Agreement, and any written documents and communication related to them, may be subject to public disclosure under Applicable Law except as expressly provided in Section 5.12.

SECTION 2 – CONCESSION AGREEMENT: SPECIFIC PROVISIONS

2.1 TERM OF CONCESSION AGREEMENT

The “**Initial Term**” of the Concession Agreement will start on the date the City executes the Concession Agreement and all the conditions set forth in Section 7.4 of this RFP have been satisfied (the “**Commencement Date**”). The Initial Term will expire at 5:00 p.m. on the date that is one day prior to the one-year anniversary of the Commencement Date, with up to three (3) one (1) year renewal terms (each, a “**Renewal Term**”), exercisable at the City's sole discretion. To renew the Concession Agreement, the City will provide written notice to the Concessionaire of the City's desire to renew the Concession Agreement (a “**Renewal Notice**”) no later than one hundred twenty (120) days before expiration of the Initial Term or then-current Renewal Term, as the case may be. Concessionaire shall have the right not to renew the Concession Agreement by providing notice to the City of its

election within thirty (30) days following receipt of a Renewal Notice. In the Concession Agreement and this RFP, “**Term**” means the Initial Term and all Renewal Terms, if exercised.

Alternatively, and subject to the final enactment by City Council of an ordinance approving the same, the Initial Term will expire at 5:00 p. m. on the date that is one day prior to the four-year anniversary of the Commencement Date with no Renewal Terms, and in the Concession Agreement and this RFP, the “**Term**” shall mean the Initial Term.

2.2 CITY ASSETS

Attached as **Exhibits C-1, C-2, C-3** and **C-4** are non-exhaustive lists of City-owned vehicles that may have potential for advertising. These lists are being provided so the Respondent will have an understanding of the types and numbers of such vehicles. There is no guarantee that the City will approve any vehicle listed on **Exhibit C-1, C-2, C-3** or **C-4** to be used for advertising, and the City can refuse to allow advertising on any City-owned vehicle in its sole and absolute discretion. Vehicles proposed by the successful Respondent and approved by the City shall be referred to in this RFP as “**City Assets.**” The license given by the City to the Concessionaire under the Concession Agreement shall apply only to City Assets.

Exhibit C-1 lists City-owned vehicles that are not “**Restricted Vehicles,**” as defined in the Advertising Policy. Advertisements on these vehicles are limited as provided in Sections 2 and 3 of the Advertising Policy.

Exhibit C-2 lists City-owned vehicles that are Restricted Vehicles. Advertisements on these vehicles are limited as provided in Sections 2 and 4 of the Advertising Policy.

Exhibit C-3 lists City-owned vehicles that are not Restricted Vehicles. Advertisements on these vehicles are limited as provided in Sections 2 and 3 of the Advertising Policy. Furthermore, annual Gross Revenue generated (collectively) by the vehicles listed on **Exhibit C-3** is limited as provided in Section 5.7.3.

Exhibit C-4 lists vehicles that are not Restricted Vehicles and that were financed with Commonwealth of Pennsylvania Act 101, Section 902 Recycling Development and Implementation Grants. The City is attempting to clarify with the Commonwealth whether advertising may be placed on these vehicles without violating the terms of the grants. Until the Commonwealth provides that guidance, these vehicles are not eligible to become “**City Assets,**” but if the Commonwealth advises that advertising does not violate the terms of the grants, the City will post an update on its website <http://www.phila.gov/bids> (under the Public Works Bidding opportunities section), if the guidance is received before Proposals are due, or shall notify the Concessionaire, if the guidance is provided after Proposals are due. If these vehicles are made available and the Concessionaire elects to use them for advertising, they shall become “**City Assets,**” advertisements on these vehicles shall be limited as provided in Sections 2 and 3 of the Advertising Policy and, if a MAG (defined in Section 5.7.2.5) is in effect, the MAG shall be adjusted as agreed upon by the City and Concessionaire.

Exhibits C-1, C-2, C-3 and C-4 do not list vehicles used by independent offices of the City (e.g., City Council, the District Attorney’s Office, the Courts, the Register of Wills, the City Commissioners, the City Controller or the Sheriff). Vehicles used by independent offices constitute approximately 3% of the fleet. If these independent offices elect to have their vehicles included in the Municipal Vehicle Advertising Program, the City will post an update on its website <http://www.phila.gov/bids> (under the Public Works Bidding opportunities section), if the election is made before Proposals are due, or shall notify the Concessionaire, if the election is made after Proposals are due. If these vehicles are made available and the Concessionaire elects to use them for advertising, they shall become “**City Assets**,” advertisements on these vehicles shall be limited as provided in the applicable Sections of the Advertising Policy and, if a MAG is in effect, the MAG shall be adjusted as agreed upon by the City and Concessionaire.

- 2.2.1 By submitting a Proposal, each Respondent agrees to use the City Assets in their “AS IS” condition, without any representation or warranty by the City.
- 2.2.2 At all times during the Term, the City Assets will remain owned by the City. No provision in the Concession Agreement shall create, grant, or give to the Concessionaire any legal title, right, leasehold, or other interest in the City Assets other than a mere license.
- 2.2.3 If any City Asset is taken out of service for any period of time (e.g. for maintenance or service of any kind, or for repair after an accident), the City shall have no liability to Concessionaire or any Concessionaire Party (defined in Section 2.7.1).

2.3 CITY APPROVAL

- 2.3.1 In addition to approving which City-owned vehicles are used for advertising, the City shall have approval rights over the content, material and location of all advertisements, as further described in the Advertising Policy.
- 2.3.2 Prior to installing any advertising on any City Asset, the Concessionaire shall submit to the Office of the Managing Director (“**MDO**”) a scaled rendering of the advertisement along with plans and specifications for its attachment to the City Asset and any other additional information the City may reasonably request. MDO shall have thirty (30) days following receipt of all required materials to consent to the same. If MDO fails to respond to Concessionaire within that thirty (30) day period, it shall be deemed to have denied consent.
- 2.3.3 MDO’s approval may be conditioned upon a requirement that the Concessionaire provides the City with Security (defined in Section 2.8) and upon other requirements the City deems necessary or prudent to protect the interests of the City.
- 2.3.4 As stated in the Advertising Policy, advertisements may not obscure or cover the City emblem or other markers indicating that the vehicle is a City vehicle (including without limitation the vehicle numbers on the sides, rear and, in some cases, front of any vehicle), but the City may, upon request, be able to relocate these emblems and

markers as long as they continue to be clearly visible on the sides and rear of each vehicle. The waste handler permit and Department of Environmental Protection signage on the left side of municipal waste vehicles, however, must remain on the left sides of these vehicles.

2.4 COMPLIANCE WITH APPLICABLE LAWS

2.4.1 All advertisements placed on City Assets shall be in compliance with Applicable Laws, including without limitation the Advertising Policy, and Concessionaire, at its sole cost and expense, shall be responsible for obtaining all permits, authorizations, consents or other approvals required by Applicable Laws to place or maintain the advertisements on the City Assets. MDO's consent or deemed consent to an advertisement or the plans and specifications for its attachment to City Assets pursuant to Section 2.3 shall not bind any other department, board, commission or agency of the City or require any other City department, board, commission or agency to waive any applicable requirements for the issuance of permits, authorizations, consents or other approvals.

2.4.2 Concessionaire shall furthermore obtain and maintain during the Term, at its sole cost and expense, all licenses and permits required under all Applicable Laws with respect to management and operation of the advertisements and other improvements on the City Assets or otherwise related to the Concession.

2.5 INSTALLATION

The Concessionaire shall install any advertisement approved by the MDO pursuant to Section 2.3 in accordance with Applicable Laws, the plans and specifications submitted to the MDO in accordance with Section 2.3, and the requirements agreed upon by the City and Concessionaire as provided in Section 5.9.5, within reasonable time periods specified by the Concessionaire and approved by the MDO. Installation shall occur at locations approved by the City and Concessionaire. The Concessionaire shall make no physical alterations, additions or improvements to the City Assets unless they are in strict accordance with Applicable Laws and the plans and specifications submitted to the MDO in accordance with Section 2.3.

2.6 MAINTENANCE

In addition to the requirements set forth in Section 1.3.6 above, the Respondent shall maintain, repair, and replace all elements of any advertising material and associated improvements put in place pursuant to the Concession Agreement in accordance with standards agreed upon by City and Concessionaire as provided in Section 5.9.5, including, without limitation, keeping the same in good condition and free of graffiti, and repairing and replacing any portion of a City Asset damaged by any advertising material put in place in accordance with the Concession Agreement. Furthermore, if MDO shall determine that any advertisement is in violation of the Advertising Policy, Concessionaire shall remove the advertisement at Concessionaire's sole cost and expense within three (3) days' following notice from MDO to do so.

2.7 CONDITION OF CITY ASSETS

- 2.7.1 Concessionaire shall not cause any waste, damage or injury to the City Assets, and shall promptly repair, at its sole cost and expense, any damage to the City Assets that arises from Concessionaire's use thereof or caused by, through or under Concessionaire, its employees, officers, agents, subcontractors and invitees (each, a "**Concessionaire Party**" and, collectively, the "**Concessionaire Parties**").
- 2.7.2 Within thirty (30) days following the end of the Term, Concessionaire shall remove all advertising materials and other improvements made by any Concessionaire Party to the City Assets, and Concessionaire shall restore any impact on the City Assets caused by the advertising materials or other improvements made by any Concessionaire Party to the City Assets or Concessionaire's removal of the same from City Assets, leaving each City Asset in the same condition in which it was found immediately prior to the installation of advertising materials and other improvements made by any Concessionaire Party, except for reasonable wear and tear, casualty covered by the Concessionaire's insurance (with the City as loss payee), and any improvements and alterations the City agreed in writing at the time they were approved pursuant to Section 2.3 could remain in place at the end of the Term. If the Concessionaire does not comply with the requirements of this Section 2.7.2, then, at the City's election, made in its sole discretion,
- 2.7.2.1 the City may perform the Concessionaire's obligation at Concessionaire's sole cost and expense, and Concessionaire shall reimburse the City for its costs and expenses within five days following receipt of an invoice from the City, and if the Concessionaire fails to timely pay those costs and expenses, the City may draw upon any Security (defined in Section 2.8) necessary to offset such costs and expenses, or
- 2.7.2.2 the advertising materials and other improvements made by any Concessionaire Party to the City Assets will be deemed the property of the City and the City may take possession of them and use them, sell them, rent them, or otherwise dispose of them in the City's sole discretion without any obligation to compensate any Concessionaire Party for their value.

Concessionaire's obligations under this Section 2.7 shall survive the expiration or earlier termination of the Concession Agreement.

2.8 SECURITY

MDO may condition its approval pursuant to Section 2.3 upon the Concessionaire's providing the City, at the Concessionaire's sole cost and expense, with a performance bond (in a form and from a surety approved by the City), in a principal amount equal to the cost of removing the advertisements so approved and repairing any damage therefrom by a surety company meeting the requirements of Section 17-106 of the Philadelphia Code, or with other security reasonably satisfactory to the City (the "**Security**"). If the City imposes any such obligation on the Concessionaire, the Concessionaire's failure to secure any required

Security will be considered a breach of the Concession Agreement and will entitle the City to all rights and remedies under the Concession Agreement, at law or in equity.

2.9 CONCESSION FEE

The Concession Agreement shall include the Concession Fee agreed upon between the City and Concessionaire as provided in Section 5.7.

2.10 BOOKS AND RECORDS; AUDITS; REPORTING

2.10.1 Throughout the Term, the Concessionaire shall maintain a bookkeeping system that keeps an accurate and complete recording of all the Concessionaire's Gross Revenues and expenses under the Concession Agreement, in form and manner reasonably acceptable to the City (collectively, "**Books and Records**"). All such Books and Records shall be maintained within the City of Philadelphia.

2.10.2 The Concessionaire shall preserve Books and Records for a period of three (3) years from termination of the Concession Agreement.

2.10.3 The City may inspect and audit all of the Concessionaire's Books and Records and Concessionaire's affairs related to the Concession at reasonable times upon reasonable notice.

2.10.4 The Concessionaire shall also establish and maintain a dedicated bank account for deposits of all Gross Revenue related to the Concession.

2.10.5 The Concessionaire shall distribute electronically to the MDO monthly status reports which provide a monthly and year-to-date summary of the services provided. Each monthly status report will be due on the fifth day of the following month at 10:00 am or, if this day falls on the weekend or a City holiday, on the following business day. The report shall specifically include, but not be limited to, Gross Revenue, expenses incurred, a description of advertisements installed, the utilization rate of available City Assets and other information reasonably requested by the City, in each case for the month in question.

2.10.6 Throughout the Term, within 120 days following the end of each of Concessionaire's fiscal years, Concessionaire shall submit to the City a report that includes (a) an annual summary description of the Concessionaire's programs and activities with respect to the Concession and plans for programs and new initiatives in the upcoming year, (b) the Concessionaire's annual audited financial statement for the most recent fiscal year end, prepared by a Certified Public Accountant in accordance with generally accepted accounting principles, consistently applied ("**GAAP**"), and (c) the Concessionaire's tax return for the most recent calendar year. Concessionaire shall also promptly submit to the City all supplemental reports, documents, records, and other information that the City may reasonably require.

2.10.7 The Concessionaire shall submit to the City quarterly reports that summarize the Concessionaire's activities related to their contracts with minority-owned and

women-owned firms. The reports will serve as a mechanism to ensure the Concessionaire is in compliance with the participation commitments the Concessionaire made in its Solicitation for Participation and Commitment Form (described in Section 5.14 and **Exhibit B**).

2.10.8 The Concession Agreement shall provide for other bookkeeping and reporting requirements as reasonably agreed to between the City and Concessionaire depending on the Concession Fee agreed upon between the City and Concessionaire pursuant to Section 5.7.

2.10.9 The requirements of this Section 2.10 (and any other bookkeeping and reporting requirements agreed upon pursuant to Section 2.10.8) shall survive the expiration or earlier termination of the Term until Concessionaire has made the final and full payment of its Concession Fee and submitted to the City the final annual report and other documents as required under this Section 2.10.

2.11 PERSONNEL

Concessionaire shall employ, provide, and train all personnel necessary and prudent for the services described in this RFP.

2.12 SUBCONTRACTING

2.12.1 Concessionaire may have some of its services and supplies provided by subcontractors. The Concessionaire shall obtain the prior, written approval of MDO before entering into any subcontract to provide services under the Concession Agreement.

2.12.2 Concessionaire shall cause any subcontracts approved pursuant to Section 2.12.1 to specify that the City is designated as a third party beneficiary. Concessionaire shall also cause its subcontracts approved pursuant to Section 2.12.1 to specify that the subcontractor is bound by the same requirements as the Concessionaire under the Concession Agreement including, without limitation, indemnification of the City, insurance, maintenance and preservation of records, and audit by the City.

2.12.3 No subcontract shall relieve Concessionaire of any of its obligations under the Concession Agreement. Concessionaire is liable for the acts and omissions of its subcontractors, or the persons either directly or indirectly employed by its subcontractors.

2.12.4 Any purported subcontract(s) that Concessionaire enters into in violation of this Section 2.12 or of any other Section in this RFP or the Concession Agreement shall be void.

SECTION 3 – CONCESSION AGREEMENT: GENERAL PROVISIONS

3.1 ETHICS REQUIREMENTS

- 3.1.1 No Concessionaire Party may offer or give, directly or indirectly, anything of value to any City official or employee, including any gift, gratuity, favor, entertainment or loan, the receipt of which would violate Executive Order No. 3-11 issued by the Mayor of Philadelphia on January 25, 2011.
- 3.1.2 Any person who offers or gives anything of value to any City official or employee, the receipt of which violates Executive Order No. 3-11, is subject to sanctions with respect to City contracts. The sanctions may range from disqualification from participation in particular City contract(s), to debarment, depending on the nature of the particular violation. The terms and duration of the sanctions will be determined (after consultation with the City's Chief Integrity Officer) by the Procurement Commissioner.
- 3.1.3 If any Concessionaire Party offers or gives, directly or indirectly, anything of value to any City official or employee in violation of this Section 3.1, it will constitute an Event of Default under the Concession Agreement. In addition, the City shall return or discard the item given to the City official or employee.

3.2 TAX REQUIREMENTS

- 3.2.1 Any contractor, vendor of goods or provider of services who bids on and is awarded a contract by the City and/or School District of Philadelphia is subject to Philadelphia's business taxes and the ordinances and regulations that govern them. The Concession Agreement shall be entered into in the City of Philadelphia, and the Concessionaire's delivery, sale, or rental of goods in the City, or performance of services in the City will be "doing business" in the City and subject the Concessionaire to the City's tax requirements, including, without limitation, one or more of the following taxes:
 - 3.2.1.1 Business Income and Receipts Taxes;
 - 3.2.1.2 Net Profits Tax; and
 - 3.2.1.3 City Wage Tax
- 3.2.2 Promptly following the Commencement Date, the Concessionaire, if not already paying the taxes listed above, shall apply to the City's Department of Revenue for a tax account number and file appropriate business tax returns as required by Applicable Law. Applications may be submitted through the Business Services Portal at <http://business.phila.gov/Pages/Home.aspx> or to the Department of Revenue at: Municipal Services Building, Public Service Concourse, 1401 John F. Kennedy Blvd., Philadelphia, PA 19102. Questions about the application and the taxes should be directed to the Taxpayer Service Unit at: (215) 686-6600.
- 3.2.3 In addition to the City's tax requirements, the Concessionaire shall timely pay all federal, state, and local taxes, assessments, and levies, however characterized (collectively, "**Assessments**") that apply to the Concession, the Concession Agreement, and the Concessionaire's activities under the Concession Agreement. The Concessionaire is solely liable for all late charges, interest, penalties, and fees arising from the Concessionaire's failure to timely pay all Assessments.

3.2.4 The Concessionaire's failure to comply with the requirements of the Concession Agreement regarding payment of Assessments, or the Concessionaire's failure otherwise to pay an Assessment as required by Applicable Laws, shall be an Event of Default under the Concession Agreement.

3.2.5 The City is not obligated at any time during the Term to pay any Assessments related to the Concession, the Concession Agreement, or the Concessionaire's activities under the Concession Agreement.

3.3 CONFIDENTIAL AND PROPRIETARY INFORMATION OF THE CITY

The Concessionaire: (a) must treat all information obtained from the City which is not generally available to the public as confidential and proprietary to the City; (b) shall exercise all reasonable precautions to prevent any confidential and proprietary information it obtains from the City from being disclosed to any other person or entity; and (c) shall promptly indemnify, defend and hold harmless the City Parties from and against all Claims (defined in Section 3.5) resulting from or related to any use or disclosure of such confidential and proprietary information by any Concessionaire Party or any person acquiring such information, directly or indirectly, from a Concessionaire Party. Concessionaire's obligations under this Section 3.3 shall survive the expiration or earlier termination of the Term.

3.4 INSURANCE

3.4.1 On or before the Commencement Date, the Concessionaire shall procure and maintain throughout the Term, at its sole cost and expense, and shall cause its subcontractors to maintain throughout the Term, at their sole cost and expense, the insurance specified in this Section 3.4. All insurance shall be procured from reputable insurers authorized to do business in the Commonwealth of Pennsylvania. All liability insurance required by this Section 3.4 shall be written on an "Occurrence" basis and not a "Claims-Made" basis. In no event shall work be performed until the required evidence of insurance has been furnished. If Concessionaire or its subcontractors fail to obtain or maintain the required insurance, the City shall have the right to treat such failure as a material breach of the Concession Agreement and to exercise all appropriate rights and remedies. The insurance shall provide for at least thirty (30) days' prior written notice (10 days' for nonpayment of premium) to be given to the City in the event coverage is materially changed, canceled or not renewed.

3.4.2 Additional Insured Requirement

The City of Philadelphia, any City agency, authority or other organization on whose property advertising is placed, and their respective officials, agents and employees (collectively, the "**City Parties**"), are to be named as additional insureds on all liability policies required hereunder except the Workers Compensation and Employer's Liability. Also, an endorsement is required stating that the coverage afforded to the City Parties as additional insureds will be primary to any other coverage available to them.

The Concessionaire shall, and shall cause its subcontractors to, indemnify, defend and hold harmless the City Parties from and against any and all actions, proceedings, causes of action, suits, demands, controversies, losses, judgments, damages, penalties, fines, claims, liabilities, costs and expenses of any nature whatsoever, and including, without limitation, litigation costs, settlement fees and expenses, and reasonable attorneys', investigators' and experts' fees, costs and expenses (collectively, the **"Claims"**) arising out of or resulting in whole or in part from the performance of the work under the Concession Agreement and/or arising out of or resulting in whole or in part from the use of any City Assets for the purposes under the Concession Agreement, including, but not limited to, Claims in connection with loss of life, bodily injury, personal injury, advertising injury, damage to property, contamination or adverse effects on the environment, intentional acts, failure to maintain a drug-free work site and workforce, any infringement or violation of any proprietary right (including, but not limited to, patent, copyright, trademark, service mark and trade secret), and any breach of the Concession Agreement, regardless of the inherent nature of the work and regardless of whether or not such Claim is caused in whole or in part by the negligent act or omission of a City Party. This obligation shall not be construed to negate, abridge or reduce other rights or obligations of indemnity which would otherwise exist as to a City Party, Concessionaire or its subcontractors. The Concessionaire shall further indemnify, defend and hold harmless the City Parties from and against any and all Claims asserted against the City Parties by Concessionaire, any of Concessionaire's subcontractors or suppliers on account of or relating to the furnishing of services, work, labor, materials or equipment under the Concession Agreement.

3.6 EVENTS OF DEFAULT

3.6.1 The Concessionaire will commit an **"Event of Default"** under the Concession Agreement if:

3.6.1.1 Concessionaire fails to pay to the City the Concession Fee (or relevant portion thereof) on the date due; or

3.6.1.2 Concessionaire fails to comply with any other obligation applicable to Concessionaire under the Concession Agreement.

- 3.6.2 If the Concessionaire commits an Event of Default under Section 3.6.1 above, and,

 - 3.6.2.4 notwithstanding the foregoing, in the case of any Event of Default that poses a threat of imminent harm to persons or property,

then without further notice the City may, in its absolute discretion, (a) cure the Event of Default at Concessionaire's sole cost and expense, (b) immediately suspend or terminate the Concession Agreement, in whole or in part, without liability to City, and obtain services from another party, provide the service itself or discontinue the service, and Concessionaire shall be liable for all costs and expenses incurred by City in obtaining such other services, or (c) exercise all rights and remedies available to it at law or in equity. The City may exercise its remedies under the Concession Agreement, at law, or in equity, separately, cumulatively, successively, and repeatedly, in the City's absolute discretion.

- 3.6.4 The City's failure or delay in providing written notice of an Event of Default to Concessionaire does not relieve or excuse the Concessionaire from any liability arising from or related to the Event of Default and does not waive any of the City's rights or remedies upon delivering written notice to the Concessionaire of the Event of Default and Concessionaire's failure to cure the Event of Default in the applicable cure period provided under Sections 3.6.2 and, if applicable, 3.6.3, or immediately and without notice in the case of an Event of Default that poses a threat of imminent harm to persons or property.

The Concessionaire shall remain current during the Term with all such payments and shall inform the City upon receipt of any notices of delinquent payments. In addition to any other rights or remedies available to the City under the Concession Agreement, at law, or in equity, the Concessionaire acknowledges that any breach or failure to conform to Concessionaire's representation, warranty, and covenant in this Section 3.7.1 may, at the option of the City, result in the termination of the Concession Agreement. In addition, Concessionaire understands that false certification or representation is subject to prosecution under Title 18 Pa.C.S.A. § 4904.

- 3.7.2 The Concessionaire shall cause its subcontractors (if any) to make a certification to the City similar to that made by the Concessionaire in Section 3.7.1 above. 3.9 ENTIRE AGREEMENT; NO AMENDMENT

3.9.1 The Concession Agreement (inclusive of the RFP) shall be the complete, final, and exclusive expression of the City's and Concessionaire's agreement about the Concession. The provisions of the Concession Agreement, including but not limited to the RFP, shall be severable. If any provision of the Concession Agreement is held by a court of competent jurisdiction to be invalid or unenforceable for any reason, then that provision shall be deemed adjusted to the minimum extent necessary to cure the invalidity or unenforceability. Except as provided in the next sentence, the invalidity or unenforceability of one or more of the provisions in the Concession Agreement will not affect any other provision of the Concession Agreement. If any provision of the Concession Agreement is held invalid or unenforceable so that the City is deprived of a material consideration to it under the Concession Agreement, however, then the City may, in its absolute discretion, terminate the Concession Agreement without liability to the Concessionaire.

The Concession Agreement may be executed by the parties in any number of counterparts, each of which shall be an original and all of which together shall be one and the same document.

3.15 ASSIGNMENT PROHIBITED

The City shall have the right to approve of any assignment by the Concessionaire of its rights and responsibilities under the Concession Agreement or any subcontract under the Concession Agreement. Any attempted assignment or subcontracting by Concessionaire in violation of this Section 3.15 shall be void and deemed an offer by Concessionaire to the City to immediately terminate the Concession Agreement, which the City may accept or decline in the City's sole discretion.

3.16 VENUE

All claims between the City and Concessionaire arising under or related to the Concession Agreement must be filed in the Court of Common Pleas of Philadelphia County. By entering into the Concession Agreement, Concessionaire consents to the exclusive jurisdiction of the Court of Common Pleas of Philadelphia County and Pennsylvania courts of appeal, and waives its right to file a motion to remove venue for any proceeding to another jurisdiction or to any federal court.

3.17 VALIDITY OF CITY APPROVALS

3.17.1 Unless expressly specified otherwise in the Concession Agreement, any review, approval, permission, or consent that the Concessionaire is required to obtain from the City under the Concession Agreement will not be valid or effective unless obtained in writing from MDO.

3.17.2 Unless expressly specified otherwise in the Concession Agreement, all reports, notices, plans, specifications, certificates, requests for approval, and submissions required of the Concessionaire that must be delivered to or approved by the City must be submitted by the Concessionaire to the MDO.

Time shall be of the essence in Concessionaire's compliance with the Concession Agreement.

3.20 FORCE MAJEURE EVENT

3.20.1 Concessionaire shall be excused from compliance with any obligation or limitation under the Concession Agreement other than any obligation for the payment of money (including, without limitation, the Concession Fee) where (a) compliance with the obligation or limitation is rendered impossible by any unexpected event in the nature of a hurricane, tornado, earthquake, war, terrorism, riot, embargo, or labor strike (except a strike by Concessionaire's own employees), and (b) Concessionaire cannot reasonably make alternative arrangements to comply with the obligation or limitation despite the unexpected event ((a) and (b), together, a "**Force Majeure Event**").

3.20.2 Concessionaire shall be excused from compliance with any obligation or limitation under the Concession Agreement because of a Force Majeure Event only for the duration of the Force Majeure Event or until Concessionaire can sooner reasonably make alternative arrangements to enable its compliance. If the Force Majeure Event renders impossible Concessionaire's compliance with a material obligation or limitation under the Concession Agreement, and if the Force Majeure Event continues for 60 days or longer, then the City may terminate the Concession Agreement in the City's sole discretion without liability to the Concessionaire.

3.20.3 The City shall be excused from complying with any requirements or limitations applicable to it under the Concession Agreement if the City cannot comply because of any unexpected event in the nature of a hurricane, tornado, earthquake, war, terrorism, riot, embargo, or labor strike.

Section 17-1305(2) also requires an employer subject to Chapter 17-1300 to provide certain sick leave days to each full-time, non-temporary, non-seasonal covered employee.
- 3.21.3 If the Concessionaire is an employer subject to Chapter 17-1300, then by signing the Concession Agreement the Concessionaire certifies that its employees are paid the minimum wage standard and provided the benefits required by Chapter 17-1300.
- 3.21.4 The Office of Labor Standards may grant a partial or total waiver from the requirements of Chapter 17-1300 based on specific stipulated reasons, as set forth in Section 17-1304 of the Philadelphia Code.

To the extent possible, Respondents should estimate the number used and revenue per vehicle based on the vehicle attributes, such as type or size (van, sedan, trash compactor) and year (which could impact the condition of the vehicle), taking into account any restrictions set forth in the Advertising Policy. Respondents may request additional information regarding vehicles that assist in estimating revenue potential. Respondents should make recommendations regarding the degree to which the City should make investments to prepare vehicles for advertising (e.g. eliminate rust, do bodywork repairs, etc.) and estimate a maximum investment level that the City should not exceed in order for net revenues to the City for that vehicle to exceed the City's investment in that vehicle.

Responses should therefore address how the Concession Fee will change depending on the limit, if any, that the City requires on the Gross Revenue from such vehicles.
- 5.7.4 The Respondent must provide an offer of compensation to the City for the rights granted under the Proposal. Two alternate compensation proposals must be presented:

The compensation proposal of the Respondent chosen by the City will be referred to in this RFP and in the Concession Agreement as the “**Concession Fee.**” The City will not accept compensation proposals based on a percentage of net revenue. If the City selects a Concession Fee that includes a MAG, the Respondent will pay the MAG annually in advance.

- 5.7.5 Respondents shall address whether the Concession Fee will vary if the Term is year-to-year for up to 4 years as opposed to 4 years, as further described in Section 2.1.
- 5.7.6 “**Gross Revenue**” is defined as the sum of any user fees, advertising revenues or other types of revenue received by the selected Respondent (and its subsidiaries, partners and affiliates) as a result of the sale and/or installation of advertising materials under the terms of any Concession Agreement issued in connection with this RFP. Gross Revenue will not be adjusted to reflect commissions, labor expense or other charges. Compensation based on a percentage of Gross Revenue will be paid to the City monthly in arrears.

- 5.12.1 By submission of a Proposal, each Respondent acknowledges and agrees that the City, as a municipal corporation, is subject to state and local public disclosure laws and, as such, is legally obligated to disclose to the public documents, including Proposals, to the extent required thereunder. Without limiting the foregoing sentence, the City's legal obligations shall not be limited or expanded in any way by a Respondent's assertion of confidentiality and/or proprietary data.
- 5.12.2 If a Respondent chooses to include material of a confidential nature, then the City will exercise reasonable efforts to keep that material confidential to the extent permitted by Applicable Law. The Respondent shall mark confidential material as noted below and must indicate reasons for confidentiality.
- 5.12.3 Each Respondent must identify the pages of its Proposal that contain confidential information by prominently marking those pages as explained below. Respondents are reminded that the mere designation of information as confidential does not necessarily make it so under Applicable Laws. The Pennsylvania Right to Know Act may require the City to disclose certain information regardless of whether the Respondent has designated it as confidential. The City recommends that each Respondent confer with legal counsel regarding the disclosure requirements of the Right to Know Act. Respondents should include the following notice in the front of each copy of their Proposal:

NOTICE

The information on pages _____ of this Proposal, identified by the words "**Confidential Proprietary Information**" in boldface type of at least 12 points in the top right-hand corner of each page, contains proprietary information that the Respondent desires not be disclosed. The Respondent requests that the Confidential Proprietary Information be used only for evaluation of Respondent's Proposal and not be disclosed to the public, except as may be required by Applicable Law.

5.13 REQUESTED EXCEPTIONS TO CONTRACT TERMS

- 5.13.1 The City’s standard contract terms and conditions for services of the type sought by this contracting opportunity (“**Contract Terms**”) are set forth in Sections 2 and 3 of this RFP. By submitting a Proposal, the Respondent agrees that, except as provided in this Section 5.13, it will enter into a Concession Agreement with the City containing substantially the Contract Terms.
- 5.13.2 Respondents must state clearly and conspicuously in their Proposal any modifications, waivers, objections or exceptions they seek (“**Requested Exceptions**”) to the Contract Terms in a separate section entitled “Requested Exceptions to Contract Terms.” For each Requested Exception, the Respondent must identify the pertinent Contract Term by caption and section number, state the reason for the request, and propose alternative language or terms. Requested Exceptions to the Contract Terms will be approved only when the City determines in its sole discretion that a Requested Exception makes business sense, does not pose unacceptable risk to the City, and is in the best interest of the City. By submitting its Proposal, the Respondent agrees to accept all Contract Terms to which it does not expressly seek a Requested Exception in its Proposal. The City reserves the right, in its sole discretion, to evaluate and reject Proposals based in part on whether they contain Requested Exceptions, the number and type of such requests, and the alternative terms proposed.
- 5.13.3 **If, after the Proposal Due Date, the Respondent seeks exceptions to Contract Terms that were not stated in its Proposal, the City may, in its sole discretion, deny the new exceptions without consideration or reject the Proposal.**
- 5.13.4 The City may not be able to modify or amend certain Contract Terms. Respondents are encouraged to review the Philadelphia Code before asking for Requested Exceptions.

5.14 OEO PARTICIPATION REQUIREMENTS

Each Respondent is subject to the provisions of Mayoral Executive Order 03-12, the City’s Antidiscrimination Policy, and is required to exercise its “Best and Good Faith Efforts” in response to the ranges specified in Exhibit B for participation by Minority Business Enterprises (“**MBE**”) and Woman Business Enterprises (“**WBE**”) (collectively, “**M/WBE**”), as those terms are defined in Executive Order 03-12. Forms, instructions and special contract provisions for the Antidiscrimination Policy explain these requirements in more detail and are included in Exhibit B. Respondents are required to complete and return with their Proposals the “Solicitation for Participation and Commitment Form” which is included in Exhibit B.

5.15 TAX AND REGULATORY STATUS AND CLEARANCE STATEMENT

It is the policy of the City to ensure that each contractor and subcontractor has all required licenses and permits and is current with respect to the payment of City taxes or other indebtedness owed to the City (including, but not limited to, taxes collected by the City on behalf of the School District of Philadelphia), and is not in violation of other regulatory provisions contained in The Philadelphia Code. To assist the City, through its Department

of Revenue and Department of Licenses and Inspections, in determining this status, each Respondent is required to submit with its Proposal the certification statement entitled “City of Philadelphia Tax and Regulatory Status and Clearance Statement” attached to this RFP as **Exhibit E**.

If the Respondent is not in compliance with the City’s tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made, the Respondent may not be eligible for award of the Concession Agreement.

The Concessionaire will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City tax and regulatory codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the Concession Agreement and the Concessionaire may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Respondents are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

If a Respondent or a proposed subcontractor is not currently in compliance with the City’s tax and regulatory codes, please contact the Revenue Department to make arrangements to come into compliance at 215-686-6600 or revenue@phila.gov.

Respondents need not have a City of Philadelphia Business Income and Receipts Tax Account Number (formerly Business Privilege Tax Account Number) and Commercial Activity License Number (formerly Business Privilege License Number) to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the Concession Agreement.¹ Applications for a Business Income and Receipts Tax Account Number or a Commercial Activity License² may be made on line by visiting the City of Philadelphia Business Services Portal at <http://business.phila.gov/Pages/Home.aspx> and clicking on “Register Now.” If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Income and Receipts Tax Account Number or the Department of Licenses and Inspections at 215-686-2490 for questions related to the Commercial Activity License.

5.16 DISCLOSURE OF LITIGATION AND ADMINISTRATIVE PROCEEDINGS; DEFAULTS

5.16.1 State, for the 5-year period preceding the date of this RFP, a description of any judicial or administrative proceeding that is material to Respondent’s business or

¹ Respondents that have a Business Privilege Tax Number should use that number, as it is automatically their Commercial Activity License Number, and need not apply for a new Commercial Activity License Number. Similarly, Respondents with a Business Privilege Tax Account Number should use that number as their Business Income and Receipts Tax Account Number.

² Commercial Activity Licenses are not typically required for non-profit organizations; however, Business Income and Receipts Tax Account Numbers typically are required.

financial capability or to the subject matter of this RFP, or that could interfere with Respondent's performance of the work requested by this RFP, including, but not limited to, any civil, criminal or bankruptcy litigation; any debarment or suspension proceeding; any criminal conviction or indictment; and any order or agreement with or issued by a court or local, state or federal agency. For each such proceeding, state the name of the case or proceeding, the parties involved, the nature of the claims involved, its current status and the final disposition, if any. Provide the same information for any officer, director, principal, member or partner of Respondent, for any Related Companies, and for any subcontractor Respondent plans to use to perform the services described in this RFP.

- 5.16.2 List any experiences in the last five (5) years in which Respondent or a Related Company failed successfully to complete a contract.
- 5.16.3 List any contractual arrangements with Respondent or a Related Company which were canceled or not renewed for poor performance.
- 5.16.4 List any performance bonds that were called the last five (5) years due to unsuccessful completion of the contract.
- 5.16.5 For any disclosure described in Sections 5.16.2, 5.16.3 or 5.16.4, explain the issues involved, the actions taken to resolve the matter, and the name, title and telephone number of the other party to the contract or performance bond that asserted the default or noncompliance (or the individual who managed the contract or performance bond for that party).

SECTION 6 - EVALUATION

6.1 SELECTION COMMITTEE

After Proposal Due Date, those Proposals which meet the tests of responsiveness, as determined by the City in its sole discretion, will be reviewed by a committee consisting of representatives of the Procurement Department, Fleet, MDO and OEO ("**Selection Committee**").

6.2 METHODOLOGY

Revenue to the City is a material factor, but not the sole or necessarily the determining factor in Proposal evaluation. The City may, at its sole discretion, award the Concession Agreement resulting from this RFP to a person or entity other than the Respondent proposing the highest potential revenue. A Concession Agreement will be awarded to the Respondent whose Proposal the City, in its sole discretion, determines will provide the most effective solution to the requirements of the City and is otherwise in the best interests of the City.

Evaluation factors to be considered include, but are not necessarily limited to, those set forth in Section 6.3 below, and may also include any other factors which the City considers

relevant to the evaluation of the Proposal. No particular order of importance or other priority is reflected by the order of the factors listed in Section 6.3.

6.3 EVALUATION CRITERIA

In its evaluation of the Proposals the City will take into consideration the following criteria:

- 6.3.1 Respondent's business integrity and financial soundness, including adequate access to capital.
- 6.3.2 The Respondent's demonstrated experience and ability to produce high quality and comprehensive vehicle advertising programs.
- 6.3.3 The level of skill and capabilities of the Respondent's management, technical staff and field personnel.
- 6.3.4 The Respondent's demonstrated experience at operating and maintaining vehicle advertising programs.
- 6.3.5 The quality of the Respondent's plan and level of experience for marketing the advertising opportunities to both local and national advertisers.
- 6.3.6 The Respondent's ability to clearly articulate and illustrate a comprehensive program that addresses the City's objectives.
- 6.3.7 The Respondent's documented plans for installation, maintenance, repair and removal of advertising materials. This includes the local allocation of resources (management, staff, materials, equipment, etc.).
- 6.3.8 The proposed Concession Fee for the rights granted under the Concession Agreement.
- 6.3.9 Response to the OEO requirements to exercise Best and Good Faith Efforts to include M/WBEs in the Proposal.
- 6.3.10 Any other factors the Selection Committee considers relevant to the evaluation of the Proposal.

Proposals will then be evaluated by the Selection Committee, and those Respondents deemed by the Selection Committee to be best qualified may be requested to participate in further discussions concerning their Proposals. Discussion may cover revenue, cost, methods and any other relevant factors.

6.4 AWARD

The City reserves the right, at any time prior to execution of a final Concession Agreement, to enter into post-submission negotiations and discussions with any or all Respondents regarding the proposed Concession Fee, expenses, scope of services, or any other term of

their Proposals, and such other contractual terms as the City may require, and to negotiate acceptable terms in an otherwise unacceptable Proposal. The City may, in its sole discretion, enter into simultaneous, competitive negotiations with multiple Respondents or negotiations with individual Respondents seriatim. Negotiations with Respondents may result in the enlargement or reduction of the scope of the services, or changes in other terms that are material to the RFP and the submitted Proposals. In that event, the City shall not be obligated to inform other Respondents of the changes, or to permit them to revise their Proposals in light thereof, unless the City, in its sole discretion, determines that doing so is in the City's best interest. If negotiations with any Respondent(s) are not satisfactory to the City, the City reserves the right to discontinue such negotiations at any time and/or to enter into or continue negotiations with other Respondents.

SECTION 7 - CONDITIONS REGARDING PROPOSALS; RESERVATION OF RIGHTS BY CITY; EFFECTIVENESS OF CONCESSION AGREEMENT

7.1 CONDITIONS REGARDING PROPOSALS

- 7.1.1 The Respondent shall be fully responsible for all costs associated with the development, preparation, transmittal, and submission of any Proposal or material submitted in response to this RFP. The City assumes no contractual or other obligations as a result of the issuance of this RFP, the preparation or submission of a Proposal by a Respondent, the evaluation of Proposals, or the selection of any Respondent for further negotiations.
- 7.1.2 It shall be the Respondent's responsibility to ensure that its Proposal is complete, accurate, and submitted by the Proposal Due Date.
- 7.1.3 Upon submission, a Respondent's Proposal shall be the property of the City and will not be returned.
- 7.1.4 The City may conduct such investigations as the City considers appropriate with respect to the qualifications of each Respondent and any information contained in its Proposal, and Respondent will promptly permit the City to inspect projects referred to in Respondent's Proposal.
- 7.1.5 Respondent will promptly provide additional information or more detailed information upon request by the City, including information inadvertently omitted by a Respondent.
- 7.1.6 Respondent will promptly send representatives for interviews with City officials when requested by the City.
- 7.1.7 All Proposals shall remain open for acceptance and in full effect for at least 120 calendar days from the Proposal Due Date; provided, however, that Respondents may withdraw or modify their Proposals at any time prior to the Proposal Due Date by written notice of withdrawal or written submission of the modification, signed in the same manner and by the same person(s) who signed the initial Proposal.

7.1.8 Respondent may not issue news releases (including, but not limited to, commercial advertising) pertaining to this RFP without prior, written approval of the City.

7.2 RESERVATION OF RIGHTS BY CITY

The City reserves and may, in its sole discretion, exercise the following rights and options with respect to the submission, evaluation and selection process under this RFP at any time prior to execution of the Concession Agreement:

7.2.1 To supplement, amend, substitute or otherwise modify this RFP at any time prior to the Proposal Due Date.

7.2.2 To cancel this RFP with or without issuing another request for proposal; and to require, if any request for proposal for similar services that may be issued subsequent to this RFP, terms and conditions that are substantially different from the terms and conditions set forth in this RFP.

7.2.3 To reject any Proposal if, in the City's sole discretion, the Proposal is incomplete, the Proposal is not responsive to the requirements of this RFP, the Respondent does not meet the qualifications set forth in the RFP, or it is otherwise in the City's best interest to do so.

7.2.4 To reject any Proposal if, in the City's sole judgment, the Respondent has been delinquent or unfaithful in the performance of any contract with the City or with others; is delinquent and has not made arrangements satisfactory to the City with respect to the payment of City taxes or taxes collected by the City on behalf of the School District of Philadelphia, or other indebtedness owed to the City; is not in compliance with City regulatory codes applicable to Respondent; is financially or technically incapable; or is otherwise not a responsible Respondent.

7.2.5 To reject any and all Proposals at any time prior to execution of a final Concession Agreement.

7.2.6 To accept or reject any or all of the items in any Proposal and award the Concession Agreement in whole or in part if it is deemed in the City's best interest to do so.

7.2.7 To waive any informality, defect, non-responsiveness and/or deviation from this RFP that is not, in the City's sole judgment, material to the Proposal.

7.2.8 To permit or reject, at the City's sole discretion, amendments (including information inadvertently omitted), modifications, alterations and/or corrections to Proposals by some or all of the Respondents following Proposal submission.

7.2.9 To request additional or clarifying information or more detailed information from any Respondent at any time, including information inadvertently omitted by a Respondent.

7.2.10 To request interviews or oral presentations from one or more Respondents.

- 7.2.11 To require any one or more Respondents to make one or more presentations to the City at the City's offices or other location as determined by the City, at the Respondent's sole cost and expense, addressing the Respondent's Proposal and its ability to achieve the objectives of this RFP.
- 7.2.12 To conduct investigations with respect to the qualifications of each Respondent and call a Respondent's references.
- 7.2.13 To inspect and otherwise investigate other projects performed by the Respondent, whether or not referenced in the Proposal, with or without consent of or notice to the Respondent.
- 7.2.14 To enter into negotiations with any one or more Respondents regarding Concession Fee, scope of services, or any other term of their Proposals, and such other contractual terms as the City may require, without reissuing this RFP.
- 7.2.15 To enter into simultaneous, competitive negotiations with multiple Respondents, or to negotiate with individual Respondents, either together or in sequence, and to permit or require, as a result of negotiations, the expansion or reduction of the scope of services or changes in any other terms of the submitted Proposals, without informing other Respondents of the changes or affording them the opportunity to revise their Proposals in light thereof, unless the City, in its sole discretion, determines that doing so is in the City's best interest.
- 7.2.16 To discontinue negotiations with any Respondent at any time prior to the execution of a Concession Agreement, and to enter into negotiations with any other Respondent, if the City, in its sole discretion, determines it is in the best interest of the City to do so.
- 7.2.17 To elect not to enter into any Concession Agreement with any Respondent if the City determines that it is in the City's best interest to do so.

7.3 CONTRACT PREPARATION FEE

Pursuant to Chapter 17-700 of The Philadelphia Code, the successful Respondent must generally pay a contract preparation fee. Regulations promulgated by the City Solicitor currently establish the following schedule of fees for preparation of the initial contract and subsequent amendments, based upon the amounts involved and whether the successful Respondent is a for-profit or nonprofit entity:

<u>Amount of Contract or Amendment</u>	<u>For-Profit Fees</u>		<u>Non-Profit Fees</u>	
	<u>Contract</u>	<u>Amendment</u>	<u>Contract</u>	<u>Amendment</u>

Over \$1,000,000	\$1,500	\$1,000	\$500	\$500

In its discretion, the Law Department may grant a full or partial waiver of any of the above fees in exceptional cases for good cause shown, such as violation of a grant covenant. Governmental entities are exempt from the fees. The Law Department reserves the right to collect up to twice the stated fee if extensive negotiation is required to reach a final contract with the successful Respondent.

7.4 CONCESSION AGREEMENT EFFECTIVENESS

The Concession Agreement will not be binding upon the City, and a Respondent will not become the Concessionaire, until after all of the following have occurred:

7.4.1 The Concession Agreement has been executed and delivered by the Respondent.

7.4.2 The Concession Agreement has been approved by the City's legal counsel.

7.4.3 The Concession Agreement has been executed and delivered by the City.

CITY OF PHILADELPHIA OFFICE OF ECONOMIC OPPORTUNITY ANTIDISCRIMINATION POLICY- MINORITY, WOMAN AND DISABLED OWNED BUSINESS ENTERPRISES FORMS, INSTRUCTIONS AND SPECIAL CONTRACT PROVISIONS

Under the authority of Executive Order No. 03-12, the City of Philadelphia has established an antidiscrimination policy (“**Policy**”) relating to the participation of Minority (“**MBE**”), Woman (“**WBE**”) and Disabled (“**DSBE**”) Owned Business Enterprises in City contracts. Executive Order 03-12 is administered by the City’s Office of Economic Opportunity (“**OEO**”).

The purpose of this Policy is to provide equal opportunity for all businesses and to assure that City funds are not used, directly or indirectly, to promote, reinforce or perpetuate discriminatory practices. The City is committed to fostering an environment in which all businesses are free to participate in business opportunities without the impediments of discrimination and participate in all City contracts on an equitable basis. In accordance with the contracting requirements of the City, the City’s antidiscrimination policy is applicable to this Request for Proposals (“**RFP**”).

The OEO has approved the following projected ranges of participation for this RFP which serve as a guide in determining each Respondent’s responsibility and relate to the total dollar amount of the Concession’s Gross Revenues as further described in this RFP:

MBE 20% -25%
and/or
WBE 20% -25%

These ranges represent the percentage of MBE and/or WBE (collectively, “**M/WBE**”) participation that should be attained by M/WBEs from business opportunities existing in the available market absent discrimination in the solicitation and selection of these businesses and through Respondent’s exercise of Best and Good Faith Efforts. “**Best and Good Faith Efforts**” are those efforts, the scope, intensity and appropriateness of which are taken to achieve meaningful and representative opportunities for participation by M/WBEs. These ranges are derived from an analysis of factors such as the size and scope of the contract and the availability of certified M/WBEs to perform various elements of the contract. The submission of a Solicitation For Participation and Commitment Form and any supporting documentation (more fully discussed below) is an element of responsiveness to the RFP and failure to submit the required information will result in rejection of your Proposal.

Respondent hereby verifies that all forms, information and documentation submitted to OEO are true and correct and is notified that the submission of false information by Respondent is subject to the penalties of 18 Pa.C.S. §4904 relating to unsworn falsification to authorities which may include payment of a fine of at least \$1,000 and a term of imprisonment of not more than two years. Respondent also acknowledges that under 18 Pa.C.S. §4107.2 (a)(4) it is a felony in the third degree, punishable by a term of imprisonment of not more than seven years in addition to the payment of any fines or restitution, if, under any contract awarded pursuant to this RFP, Respondent

fraudulently obtains public moneys reserved for or allocated or available to minority business enterprises or women's business enterprises.

A. M/WBE PARTICIPATION

1. Only firms that are certified by an approved certifying agency¹ and identified in the OEO Certification Registry by the time of contract award will be credited toward the participation ranges on City contracts. An OEO Certification Registry is maintained by the OEO and is available online at www.phila.gov/OEO/directory. Firms owned and controlled by minority persons, women or disabled persons which are certified as MBE, WBE, DSBE or DBE by an approved certifying agency may apply to the OEO for listing in its OEO Certification Registry.

2. No Respondent that seeks to meet the participation range(s) by entering into a subcontract with any M/WBE participant shall be considered to meet the range(s) if the M/WBE participant does not perform a commercially useful function (“**CUF**”). An M/WBE performs a Commercially Useful Function when it performs a distinct element of a City contract (as required by the services to be performed in accordance with the RFP) which is worthy of the dollar amount of the M/WBE Subcontract and the M/WBE carries out its responsibilities by managing and supervising the services involved and actually self-performing at least twenty percent (20%) of the services of the subcontract with its own employees. For suppliers, an M/WBE performs a Commercially Useful Function when it is responsible for sourcing the material, negotiating price, determining quality and quantity, ordering the material and paying for it from its own funds. Commercial usefulness will be evaluated and determined by the OEO on a proposal by proposal basis as informed by prevailing industry standards and the M/WBE’s NAIC codes. Participation that is not commercially useful will not be counted.

3. In order to maximize opportunities for as many businesses as possible, a firm that is certified in two or more categories (e.g. MBE and WBE and DSBE or WBE and DSBE) will only be credited toward one participation range as either an MBE or WBE or DSBE. The firm will not be credited toward more than one category. Respondents will note with their submission which category, MBE or WBE or DSBE, is submitted for credit.

4. An MBE/WBE submitting as the prime Respondent is required, like all other Respondents, to submit a Proposal that is responsive to the Policy. The M/WBE Respondent will receive credit towards the participation range for its certification category (e.g., MBE range or WBE range). In addition, the participation of an M/WBE partner, as part of a joint venture created for any contract awarded pursuant to this RFP, may be credited towards the participation ranges only to the extent of the M/WBE partner’s ownership interest in the joint venture in accordance with the following criteria:

- The MBE, WBE or DSBE partner(s) must be identified in the OEO Registry prior to award of the contract;

¹ Approved certifying agencies are identified on the OEO webpage found at www.phila.gov/OEO. Respondent is strongly encouraged to search the Pennsylvania Unified Certification Program (“**PaUCP**”) Directory which offers a robust listing of DBEs; the PaUCP Directory is found at www.paucp.com.

- The M/WBE partner(s) must derive substantial benefit from the arrangement;
- The M/WBE partner(s) must be substantially involved in all phases of the contract including planning, staffing and daily management;
- The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interest, contributes working capital and other resources, etc.).

5. M/WBE Subcontractors must perform at least twenty percent (20%) of the total amount of work to be performed under the subcontract with their own employees.

6. In listing participation commitments on the Solicitation for Participation and Commitment Form, Respondents are required to list a detailed description of the services or supply effort, the dollar amount of the quotation, and percentage of the Gross Revenue the participation represents. In calculating the percentage amount, Respondents may apply the standard mathematical rules in rounding off numbers. The OEO reserves the right to request clarifying information from Respondents in the event of an inconsistency or ambiguity in the Solicitation For Participation and Commitment Form.

B. RESPONSIVENESS

1. A Proposal responsive to the Policy is one which contains documentary evidence of the M/WBEs that have been solicited and that will be used by the Respondent on the contract, if awarded; where the proposal satisfies the M/WBE participation ranges for that contract, the Respondent is rebuttably presumed not to have discriminated in its selection of contract participants.

2. Respondents must submit documentary evidence of MBEs and WBEs who have been solicited and with whom commitments have been made in response to each of the participation ranges included in this RFP. Failure to submit the Solicitation For Participation and Commitment Form will result in the rejection of the Proposal as nonresponsive, although the City, at its sole discretion, may allow Respondents to submit or amend the Solicitation For Participation and Commitment Form at any time prior to award. The Solicitation For Participation and Commitment Form must contain the following information:

- Documentation of all solicitations (regardless of whether commitments resulted therefrom) as well as all commitments made on the document entitled “Solicitation For Participation and Commitment Form” (see Excel Spreadsheet labeled “Exhibit B S&C Form”). Respondents should only make actual solicitations of M/WBEs whose services or materials are within the scope of this RFP. Mass mailing of a general nature to M/WBEs or similar methods will not be deemed solicitation, but rather will be treated as informational notification only. A reasonable period of time should be given to all solicited firms to ensure that they have sufficient time to adequately prepare their quotes/subproposals. The Respondent’s listing of a commitment with an M/WBE constitutes a representation that the Respondent has made a legally binding commitment to contract with such firm, upon receipt of a contract award from the City (“**Contract Commitment**”).
- If the Respondent has entered into a joint venture with an MBE and/or WBE partner, the Respondent is also required to submit, along with the Solicitation For Participation and

Commitment Form, a document entitled “Joint Venture Eligibility Information Form,” available at OEO, for the City’s review and approval of the joint venture arrangement. **For this RFP, Joint Venture arrangements with MBE and/or WBE partners is encouraged.**

3. If Respondent does not fully meet each of the range(s) for participation established for this RFP, Respondent must demonstrate that it exercised Best and Good Faith Efforts to achieve the M/WBE participation ranges along with a written request, on its letterhead, for the reduction of part or all of the M/WBE participation ranges (“**Request For Reduction/Waiver**”). Respondent, through the submission of documentary evidence, must show that Respondent took all necessary steps and made reasonable efforts to achieve the M/WBE participation ranges, even if these efforts were not fully successful. OEO will evaluate the scope, intensity and appropriateness of these efforts to ascertain whether they could reasonably be expected to achieve M/WBE participation commensurate with the ranges. Failure to submit the documentary evidence will result in rejection of the Proposal as nonresponsive; the City, at its sole discretion, may allow Respondents to submit or amend their submission at any time prior to award which may result in revision to Respondent’s participation commitments. The submission shall contain and discuss, at a minimum, the following:

- Reasons for not committing with any MBE/WBE/DSBEs that submitted a quote/subproposal, regardless of whether the quote/subproposal was solicited by Respondent.
- Any additional evidence pertinent to Respondent's conduct relating to this RFP including sufficient evidence which demonstrates to the OEO that Respondent has not engaged in discriminatory practices in the solicitation of and commitment with contract participants. In describing Respondent's efforts to achieve participation within the ranges, Respondent may submit any corroborating documentation (e.g., copies of advertisements for participation).

The Respondent's documentary evidence will be reviewed by the OEO to determine whether Respondent exercised Best and Good Faith Efforts in response to the participation ranges. **Respondent’s expressed desire to self-perform services with its own employees will not excuse Respondent from exercising Best and Good Faith Efforts to include M/WBEs in its Proposal and cannot be used as a basis for requesting a reduction or waiver of the participation ranges.** OEO’s review will include consideration of the following:

- Respondent's contracting activities and business practices on similar public and private sector contracts. For example, if Respondent rejects any M/WBE based on price, Respondent must fully document its reasons for the rejection and also demonstrate that Respondent subjects non-M/WBEs to the same pricing standards. OEO will investigate whether there was any attempt at good faith negotiation of price.
- Whether M/WBEs were treated as equally as other businesses in the solicitation and commitment process. For example, the OEO will investigate whether M/WBEs are given the same information, access to the plans and requirements of the contract and given adequate amount of time to prepare a quote/subproposal as others who were solicited by Respondent. The OEO will also investigate whether M/WBEs were accorded the same level of outreach as non-M/WBEs, for example whether Respondent short listed M/WBEs for participation or solicited M/WBEs at any pre-proposal meetings.

- Whether the Respondent's contracting decisions were based upon policies which disparately affect M/WBEs. OEO will ascertain whether Respondent selected portions of work or material needs consistent with the capacity of available M/WBE subcontractors and suppliers. OEO will consider whether Respondent employed policies which facilitate the participation of M/WBEs on City contracts such as segmentation of the contract or prompt payment practices.

4. After review of the Respondent's submission and other information the OEO deems relevant to its evaluation, the OEO will make a written determination that will be forwarded to the awarding City department. If the proposal is determined nonresponsive by the OEO, the Respondent will be notified and may file a written appeal with the Executive Director of OEO within forty-eight (48) hours of the date of notification; the decision of the Executive Director of OEO shall be final.

C. RESPONSIBILITY

1. Upon award, the completed Solicitation For Participation and Commitment Form and accompanying documents regarding solicitation and commitments with MBEs, WBEs and DSBEs become part of the contract and the successful Respondent is required to enter into legally binding agreement(s) ("**M/WBE Subcontract(s)**") with its M/WBE participants for the services and in the dollar amount(s) and percentage(s) as so committed (the "**Contract Commitment(s)**"). M/WBE percentage commitments are to be maintained throughout the term of the contract and shall apply to the total value of the Gross Revenue (including any increase in Gross Revenue). Any change in commitment, including but not limited to, substitutions for the listed firm(s), changes or reductions in the work and/or listed dollar/percentage amounts, must be pre-approved in writing by the OEO.

2. The successful Respondent is required to pay its M/WBE participants promptly for services performed under the contract (including the supply of materials). In connection with the payment of its M/WBE participants, the successful Respondent agrees to fully comply with the City's electronic payment verification systems.

3. No privity of contract exists between the City and any M/WBE participant identified in any contract resulting from this RFP. The City does not intend to give or confer upon any such M/WBE participant(s) any legal rights or remedies in connection with the subcontracted services pursuant to Executive Order 03-12 or by reason of any contract resulting from the RFP except such rights or remedies that the M/WBE subcontractor may seek as a private cause of action under any legally binding contract to which it may be a party.

4. If the OEO determines that the Respondent has discriminated against a M/WBE at any time during the term of the contract, the OEO may recommend to the Director of Finance the imposition of sanctions on the Respondent including debarment of the Respondent from submitting and/or participating in future City contracts for a period of up to three (3) years.

D. ACCESS TO INFORMATION

1. The OEO shall have the right to make site visits to the Respondent's place of business and/or job site and obtain documents and information from any Respondent, subcontractor, supplier, manufacturer or contract participant that may be required in order to ascertain Respondent's responsiveness and responsibility.

2. Failure to cooperate with the OEO in its review may result in a recommendation to terminate the contract.

E. RECORDS AND REPORTS

1. The successful Respondent shall maintain all books and records relating to its M/WBE commitments (e.g. copies of quotations, subcontracts, joint venture agreement, correspondence, cancelled checks, invoices, telephone logs) for a period of at least three (3) years following expiration of the contract. These records shall be made available for inspection by the OEO and/or other appropriate City officials. The successful Respondent agrees to submit reports and other documentation to the OEO as deemed necessary by the OEO to ascertain the successful Respondent's fulfillment of its M/WBE commitments.

F. REMEDIES

1. The successful Respondent's compliance with the requirements of Executive Order 03-12 is material to the contract. In the event the City determines that the successful Respondent has failed to comply with any of the requirements of this Antidiscrimination Policy, including substantial compliance with any Contract Commitment, the City may, in addition to any other rights and remedies it may have under the Contract, which includes termination of the Contract, debar successful Respondent from proposing on and/or participating in any future contracts for a maximum period of three (3) years. These remedies are for the sole benefit of the City and City's failure to enforce any provision or the City's indulgence of any non-compliance with any provision hereunder shall not operate as a waiver of any of the City's rights in connection with any contract resulting from this RFP nor shall it give rise to actions by any third parties including identified M/WBE participants.
